

must obtain detailed information about the pilot, crew, aircraft, and other circumstances related to an accident or incident at the start of each NTSB investigation. This information allows the agency to: (1) determine the appropriate course of action in an investigation; (2) make safety recommendations and facilitate safety improvements in the aviation industry; and (3) classify and publish accident and safety data.

Because the NTSB is the only Federal agency charged with investigating aircraft accidents and incidents, and has priority over all other agencies in this role, the NTSB will be the only agency distributing this accident and incident report form; thus, this NTSB form is not duplicative of any other IC. While under 49 U.S.C. 1132(c), the FAA participates in NTSB aircraft accident investigations and may oversee some investigative activities on behalf of the NTSB, the NTSB's priority over aircraft accident investigations ensures no duplicative ICs from pilots or operators.

- I. Introduction
- II. Docketed Proceeding(s)

I. Introduction

The Commission gives notice that the Postal Service filed request(s) for the Commission to consider matters related to negotiated service agreement(s). The request(s) may propose the addition or removal of a negotiated service agreement from the Market Dominant or the Competitive product list, or the modification of an existing product currently appearing on the Market Dominant or the Competitive product list.

Section II identifies the docket number(s) associated with each Postal Service request, the title of each Postal Service request, the request's acceptance date, and the authority cited by the Postal Service for each request. For each request, the Commission appoints an officer of the Commission to represent the interests of the general public in the proceeding, pursuant to 39 U.S.C. 505 (Public Representative). Section II also establishes comment deadline(s) pertaining to each request.

The public portions of the Postal Service's request(s) can be accessed via the Commission's website (<http://www.prc.gov>). Non-public portions of the Postal Service's request(s), if any, can be accessed through compliance with the requirements of 39 CFR 3011.301.¹

The Commission invites comments on whether the Postal Service's request(s) in the captioned docket(s) are consistent with the policies of title 39. For request(s) that the Postal Service states concern Market Dominant product(s), applicable statutory and regulatory requirements include 39 U.S.C. 3622, 39 U.S.C. 3642, 39 CFR part 3030, and 39 CFR part 3040, subpart B. For request(s) that the Postal Service states concern Competitive product(s), applicable statutory and regulatory requirements include 39 U.S.C. 3632, 39 U.S.C. 3633, 39 U.S.C. 3642, 39 CFR part 3035, and 39 CFR part 3040, subpart B. Comment deadline(s) for each request appear in section II.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-99092; File No. SR-ISE-2023-31]

Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Legging Orders

December 6, 2023.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 29, 2023, Nasdaq ISE, LLC (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Options 3, Section 7, Types of Orders and Order and Quote Protocols, and Options 3, Section 16, Complex Order Risk Protection.

The text of the proposed rule change is available on the Exchange’s website at <https://listingcenter.nasdaq.com/rulebook/ise/rules>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Options 3, Section 7, Types of Orders and Order and Quote Protocols, and Section 16, Complex Order Risk Protections. Each change is described below.

Options 3, Section 7

The Exchange proposes to expand the description of Legging Orders to add detail to describe the current System³ functionality. The proposed amendments reflect the way the System handles Legging Orders today. The Exchange is not amending its current System functionality with respect to Legging Orders, rather, the proposed rule text is intended to add more detail to ISE Options 3, Section 7(k) to conform the level of detail to Nasdaq Phlx LLC (“Phlx”) Options 3, Sections 7(b)(10) and 14(f)(iii)(C), which describes Phlx’s legging orders, as well as The Miami International Securities Exchange, LLC (“MIAX”) Rule 518(a)(10), which describes derived orders.

Generally, the Exchange proposes to amend the phrase “regular limit order book” in ISE Options 3, Section 7(k) to “single-leg limit order book” to conform the rule text to the manner in which that order book is described in ISE Options 3, Section 14, Complex Orders.

Currently, ISE Options 3, Section 7(k) provides,

Legging Orders. A legging order is a limit order on the regular limit order book that represents one side of a Complex Options Order that is to buy or sell an equal quantity of two options series resting on the Exchange’s Complex Order Book. Legging

orders are firm orders that are included in the Exchange’s displayed best bid or offer.

(1) A legging order may be automatically generated for one leg of a Complex Options Order at a price: (i) that matches or improves upon the best displayed bid or offer on the regular limit order book; and (ii) at which the net price can be achieved when the other leg is executed against the best displayed bid or offer on the regular limit order book. A legging order will not be created at a price that locks or crosses the best bid or offer of another exchange or during a Posting Period in progress on the same side in the series, pursuant to Options 3, Section 15 regarding Acceptable Trade Range.

(2) A legging order is executed only after all other executable orders (including any non-displayed size) and quotes at the same price are executed in full. When a legging order is executed, the other portion of the Complex Options Order will be automatically executed against the displayed best bid or offer on the Exchange.

(3) A legging order is automatically removed from the regular limit order book if: (i) the price of the legging order is no longer at the displayed best bid or offer on the regular limit order book, (ii) execution of the legging order would no longer achieve the net price of the Complex Options Order when the other leg is executed against the best displayed bid or offer on the regular limit order book, (iii) the Complex Options Order is executed in full or in part on the Complex Order Book, or (iv) the Complex Options Order is cancelled or modified.

The Exchange proposes to amend the first paragraph of ISE Options 3, Section 7(k) to instead provide,

A Legging Order is a Limit Order on the single-leg limit order book in an individual series that represents one leg of a two-legged Complex Options Order that is to buy or sell an equal quantity of two options series resting on the Exchange’s Complex Order Book. Legging Orders are firm orders that are included in the Exchange’s displayed best bid or offer. Legging Orders are not routable and have a TIF of Day.

Generally, the Exchange proposes to capitalize the terms “Legging Order” and “Limit Order” throughout ISE Options 3, Section 7(k). The Exchange also proposes to amend the term “one side of a Complex Options Order” to more specifically state, “one leg of a two-legged Complex Options Order.” The Exchange also proposes to add a new sentence to the end of the paragraph which provides, “Legging Orders are not routable and have a TIF of Day.” Specifying that Legging Orders, which are an individual component of a Complex Options Order,⁴ are also not

³ The term “System” means the electronic system operated by the Exchange that receives and disseminates quotes, executes orders and reports transactions. See Options 1, Section 1(a)(49).

⁴ The terms “Complex Options Order,” “Stock-Option Order,” and “Stock-Complex Order” refer to orders for a Complex Options Strategy, Stock-Option Strategy, and Stock-Complex Strategy, respectively. The term “Complex Order” includes Complex Options Orders, Stock-Option Orders, and Stock-Complex Orders. See ISE Options 3, Section
