Abstract: The Full-Service Community Schools program, funded through title IV of the Elementary and Secondary Education Act, seeks to improve student outcomes by leveraging partnerships to help schools provide coordinated and integrated wraparound services to students and families, particularly in high-poverty schools. This study will be the first implementation evaluation of the Full-Service Community Schools program.

This Information Collection Request (ICR) follows the related June 2023 ICR that OMB approved (1850–0981) to conduct an initial survey of FY 2022 Full-Service Community Schools grantees. This ICR seeks approval to conduct additional rounds of data collection focused on helping policymakers and the community schools field better understand how program implementation is playing out. Included in these data collection are a follow-up survey of the FY 2022 grantees, a baseline and interim survey of the newly-awarded FY 2023 grantees and their partner schools, and one round of administrative data from states and districts that oversee FY 2023 partner schools.
