

Section 19(b)(2) of the Act⁸ provides that, after initiating proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the **Federal Register** on June 26, 2023.⁹ December 23, 2023 is 180 days from that date, and February 21, 2024 is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change. Accordingly, the Commission, pursuant to section 19(b)(2) of the Act,¹⁰ designates February 21, 2024 as the date by which the Commission shall either approve or disapprove the proposed rule change (File No. SR-MIAX-2023-23).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹¹
