*FY20 responses per year is count of all forms and schedules filed under legacy A.D. Little burden estimate methodology.

**FY23 responses per year is count of all employers under taxpayer-centric Research, Applied Analytics, and Statistics (RAAS) burden estimate methodology. This approach is also used for OMB 1545–0074 individuals, 1545–0123 (business entities), and 1545–0047 (tax-exempt organizations).

*** Total monetized burden = Monetized hours + Out-of-pocket costs.

Note: Reported time and cost burdens are national averages and do not necessarily reflect a “typical” case. Most taxpayers experience lower than average burden, with taxpayer burden varying considerably by taxpayer type. Detail may not add due to rounding.

OMB Control Number: 2900–0932.

Type of Review: Extension.

Abstract: Sec. 11, Public Law 117–333, enacted January 5, 2023, amended title 38 U.S.C. 3672, “Approval of Courses”. This provision of the law required VA to create and design two new uniform applications and any accompanying documentation for approval of courses of educational programs, and for those forms to be available for use by October 1, 2023. The Program Office created those four forms to meet the amended criteria of 38 U.S.C. 3672.

These forms are completed by educational institutions, training establishments and other organizations seeking approval of one or more programs of study for the payment of VA Education benefits rendered to eligible beneficiaries. The institutions submit the forms to the State Approving Agencies (SAAs) of jurisdiction for their review. By law, each SAA has the authority to make such approvals in their respective state. VA contracts with SAAs in each state for this approval assessment work.

Prior to the new legislative requirement, each SAA used their own application form(s), making it difficult for training institutions operating in more than one state to readily complete the process, as different states required different information. The amendment to title 38 U.S.C. 3672 now ensures uniformity in the program approval process across all states.

The uniform SAA applications are used by educational and training
