

U.S. Court of Appeals for the Federal Circuit held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (the Act), Commerce must publish a notice of a court decision not “in harmony” with a Commerce determination and must suspend liquidation of entries pending a “conclusive” court decision. The Court’s December 18, 2023, judgment sustaining the Redetermination constitutes a final decision of the Court that is not in harmony with Commerce’s *Final Results*. This notice is published in fulfillment of the publication requirement of *Timken*.

Amended Final Results

Because there is now a final court decision, Commerce is amending the *Final Results* with respect to AJU Besteel, Husteel, Hyundai Steel, and NEXTEEL for the period September 1, 2019, through August 31, 2020. The revised dumping margins are as follows:

Exporter or producer	Weighted-average dumping margin (percent)
Hyundai Steel Company	9.63
AJU Besteel Co., Ltd	6.74
Husteel Co., Ltd	6.74
NEXTEEL Co., Ltd	6.74

Cash Deposit Requirements

Because AJU Besteel, Husteel, Hyundai Steel, and NEXTEEL have each had a superseding cash deposit rate, *i.e.*, there have been final results published in a subsequent administrative review, we will not issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP). This notice will not affect the current cash deposit rates.

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from liquidating entries that were produced and exported by AJU Besteel, Husteel, Hyundai Steel, or NEXTEEL, and were entered, or withdrawn from warehouse, for consumption during the period September 1, 2019, through August 31, 2020. Liquidation of these entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT’s ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess ADs on unliquidated entries of subject merchandise produced and exported by AJU Besteel, Husteel, Hyundai Steel, or NEXTEEL, in accordance with 19 CFR 351.212(b). We

will instruct CBP to assess ADs on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an importer-specific *ad valorem* assessment rate is zero or *de minimis*,¹⁹ we will instruct CBP to liquidate the appropriate entries without regard to ADs.

Dated: December 21, 2023.
