[Doc. No. AMS–NOP–21–0073]

RIN 0581–AE06

National Organic Program (NOP); Organic Livestock and Poultry Standards; Correction

AGENCY: Agricultural Marketing Service, Department of Agriculture (USDA).

ACTION: Final rule; correction.

SUMMARY: The Agricultural Marketing Service (AMS) is correcting non-substantive errors in the regulatory text of the Organic Livestock and Poultry Standards (OLPS) final rule published on November 2, 2023. The corrections are intended to improve readability and clarity.

DATES: Effective January 12, 2024.

FOR FURTHER INFORMATION CONTACT: Erin Healy, Director, Standards Division; Telephone: (202) 720–3252; Email: erin.healy@usda.gov.

SUPPLEMENTARY INFORMATION: The OLPS final rule published on November 2, 2023 (88 FR 75394), delayed December 13, 2023 (88 FR 86259), amends the USDA organic regulations related to the production of livestock, including poultry, marketed as organic. This action corrects five errors in the OLPS regulatory text published on November 2, 2023, to improve the readability and clarity of the rule. The corrections do not change the meaning of the regulations.

Section 553 of the Administrative Procedure Act, 5 U.S.C.553(b)(B), provides that, when an agency for good cause finds that notice and public procedure are impracticable, unnecessary, or contrary to the public interest, an agency may issue a rule without providing notice and an opportunity for public comment. AMS has determined that there is good cause

for making these corrections final without prior proposal and opportunity for comment because AMS is merely correcting minor non-substantive errors and omissions in the regulatory text. Accordingly, AMS finds that there is good cause to dispense with notice and public procedure under 5 U.S.C. 553(b)(B). With respect to the effective date, this final rule correction is not substantive in nature, and there is good cause to dispense with a 30-day delayed effective date. This final rule correction will be effective January 12, 2024, in conjunction with the entirety of the rule, as provided by FR Doc. 2023–27255 (88 FR 86259; December 13, 2023).
