RAILROAD RETIREMENT BOARD**Agency Forms Submitted for OMB Review, Request for Comments**

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to the RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of the publication date.

1. Title and Purpose of Information Collection: Medical Reports; OMB 3220-0038

Under sections 2(a)(1)(iv) and 2(a)(1)(v) of the Railroad Retirement Act (RRA) (45 U.S.C. 231a), annuities are payable to qualified railroad employees whose physical or mental condition makes them unable to (1) work in their regular occupation (occupational disability) or (2) work at all (total disability). The requirements for establishing disability and proof of continuing disability under the RRA are prescribed in 20 CFR 220.

Annuities are also payable to (1) qualified spouses and widow(ers) under sections 2(c)(1)(ii)(C) and 2(d)(1)(ii) of the RRA who have a qualifying child who became disabled before age 22; (2) surviving children on the basis of disability under section 2(d)(1)(iii)(C), if the child's disability began before age 22; and (3) widow(ers) on the basis of

disability under section 2(d)(1)(i)(B). To meet the disability standard, the RRA provides that individuals must have a permanent physical or mental condition that makes them unable to engage in any regular employment.

Under section 2(d)(1)(v) of the RRA, annuities are also payable to remarried widow(ers) and surviving divorced spouses on the basis of, among other things, disability or having a qualifying disabled child in care. However, the disability standard in these cases is that found in the Social Security Act. That is, individuals must be unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment. The RRB also determines entitlement to a Period of Disability and entitlement to early Medicare based on disability for qualified claimants in accordance with section 216 of the Social Security Act.

When making disability determinations, the RRB needs evidence from acceptable medical sources. The RRB currently utilizes Forms G-3EMP, Report of Medical Condition by Employer; G-197, Authorization to Disclose Information to the Railroad Retirement Board; G-250, Medical Assessment; G-250A, Medical Assessment of Residual Functional Capacity; G-260, Report of Seizure Disorder; RL-11B, Disclosure of Hospital Medical Records; RL-11D, Disclosure of Medical Records from a State Agency; RL-11D1, Request for Medical Evidence from Employers, and RL-250, Request for Medical Assessment, to obtain the necessary medical evidence. One response is requested of each respondent. Completion is required for all forms to obtain benefits except Form RL-11D1, which is voluntary.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (88 FR 73054 on October 24, 2023) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.
