

information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before March 5, 2024. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-1194.

Title: AM Station Modulation Dependent Carrier Level (MDCL) Notification Form; FCC Form 338.

Form Number: FCC Form 338.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; Not-for-profit institutions.

Number of Respondents and Responses: 15 respondents and 15 responses.

Estimated Hours per Response: 1 hour.

Frequency of Response: On occasion reporting requirement.

Total Annual Burden: 15 hours.

Total Annual Costs: No cost.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this information collection is contained in sections 154(i), 303, 310 and 533 of the Communications Act of 1934, as amended.

Needs and Uses: FCC Form 338, AM Station Modulation Dependent Carrier

Level (MDCL) Notification Form is used by AM broadcasters to implement MDCL technologies without prior authorization, by electronic notification within 10 days of commencing MDCL operations. In addition to the standard general contact information, FCC Form 338 solicits minimal technical data, as well as the date that MDCL control operations commenced.

In October 2015, the Commission adopted its proposal for wider implementation of MDCL control technologies and amended section 73.1560(a) of the rules. 47 CFR 73.1560(a)(1) is consequentially covered by this information collection. This rule specifies the limits on antenna input power for AM stations. AM stations using MDCL control technologies are not required to adhere to these operating power parameters. The rule provides that an AM station may commence MDCL control technology without prior Commission authority, provided that within ten days after commencing such operation, the AM station licensee submits an electronic notification of commencement of MDCL operation using FCC Form 338.

The Commission is now requesting a three year extension for this collection from the Office of Management and Budget (OMB).

Federal Communications Commission.

Katura Jackson,

Federal Register Liaison Officer.

[Notice-Q-2023-06; Docket No. 2023-0002; Sequence No. 42]

Federal Secure Cloud Advisory Committee Request for Applications

AGENCY: Federal Acquisition Service (Q), General Services Administration (GSA).

ACTION: Notice. The U.S. General Services Administration (GSA) is seeking applications for membership to the Federal Secure Cloud Advisory Committee (the Committee).

SUMMARY: GSA is seeking applications to fill four membership seats on the Federal Secure Cloud Advisory Committee (hereinafter "the Committee" or "the FSCAC"), a Federal advisory committee required by statute.

DATES: GSA will consider complete applications that are received no later than 5:00 p.m. Eastern Standard Time on Monday, January 22, 2024.

Applications will be accepted online at <https://gsa.gov/fscac>.

ADDRESSES: Applications will be accepted electronically. Please submit applications via <https://forms.gle/kxscdjX6P7oB9vua7>, and email accompanying documents to fscac@gsa.gov with the subject line: FSCAC APPLICATION—[Applicant Name]. The form and associated instructions will also be available online at <https://gsa.gov/fscac>.

FOR FURTHER INFORMATION CONTACT: Michelle White, Designated Federal Officer (DFO), FSCAC, GSA, 703-489-4160, fscac@gsa.gov. Additional information about the Committee is available online at <https://gsa.gov/fscac>.

SUPPLEMENTARY INFORMATION:

Background

GSA, in compliance with the FedRAMP Authorization Act of 2022, established the FSCAC, an advisory committee in accordance with the provisions of the Federal Advisory Committee Act, as amended (5 U.S.C. 10). The Federal Risk and Authorization Management Program (FedRAMP) within GSA is responsible for providing a standardized, reusable approach to security assessment and authorization for cloud computing products and services that process unclassified information used by agencies.

The FSCAC will provide advice and recommendations to the Administrator of GSA, the FedRAMP Board, and agencies on technical, financial, programmatic, and operational matters regarding the secure adoption of cloud computing products and services. The FSCAC will ensure effective and ongoing coordination of agency adoption, use, authorization, monitoring, acquisition, and security of cloud computing products and services to enable agency mission and administrative priorities. The purposes of the Committee are:

- To examine the operations of FedRAMP and determine ways that authorization processes can continuously be improved, including the following:
 - Measures to increase agency reuse of FedRAMP authorizations.
 - Proposed actions that can be adopted to reduce the burden, confusion, and cost associated with FedRAMP authorizations for cloud service providers.
 - Measures to increase the number of FedRAMP authorizations for cloud computing products and services offered by small businesses concerns (as defined by section 3(a) of the Small Business Act (15 U.S.C. 632(a)).

○ Proposed actions that can be adopted to reduce the burden and cost of FedRAMP authorizations for agencies.

- Collect information and feedback on agency compliance with, and implementation of, FedRAMP requirements.

- Serve as a forum that facilitates communication and collaboration among the FedRAMP stakeholder community.

The FSCAC will meet no fewer than three (3) times a calendar year. Meetings shall occur as frequently as needed, called, and approved by the DFO. Meetings may be held virtually or in person. Members will serve without compensation and may be allowed travel expenses, including per diem, in accordance with 5 U.S.C. 5703.

The Committee shall be comprised of not more than 15 members who are qualified representatives from the public and private sectors, appointed by the Administrator, in consultation with the Director of OMB, as follows:

- The GSA Administrator or the GSA Administrator's designee, who shall be the Chair of the Committee.

- At least one representative each from the Cybersecurity and Infrastructure Security Agency and the National Institute of Standards and Technology.

- At least two officials who serve as the Chief Information Security Officer within an agency, who shall be required to maintain such a position throughout the duration of their service on the Committee.

- At least one official serving as Chief Procurement Officer (or equivalent) in an agency, who shall be required to maintain such a position throughout the duration of their service on the Committee.

- At least one individual representing an independent assessment organization

- At least five representatives from unique businesses that primarily provide cloud computing services or products, including at least two representatives from a small business (as defined by section 3(a) of the Small Business Act (15 U.S.C. 632(a))).

- At least two other representatives from the Federal Government as the Administrator determines to be necessary to provide sufficient balance, insights, or expertise to the Committee.

Each member shall be appointed for a term of three (3) years, except the initial terms, which were staggered into one (1), two (2) or three (3) year terms to establish a rotation in which one third of the members are selected. No member shall be appointed for more than two (2) consecutive terms nor shall any member

serve for more than six (6) consecutive years. GSA values opportunities to increase diversity, equity, inclusion and accessibility on its federal advisory committees.

Members will be designated as Regular Government Employees (RGEs) or Representative members as appropriate and consistent with Section 3616(d) of the FedRAMP Authorization Act of 2022. GSA's Office of General Counsel will assist the Designated Federal Officer (DFO) to determine the advisory committee member designations. Representatives are members selected to represent a specific point of view held by a particular group, organization, or association. Members who are full time or permanent part-time Federal civilian officers or employees shall be appointed to serve as Regular Government Employee (RGE) members. In accordance with OMB Final Guidance published in the **Federal Register** on October 5, 2011 and revised on August 13, 2014, federally registered lobbyists may not serve on the Committee in an individual capacity to provide their own individual best judgment and expertise, such as RGEs members. This ban does not apply to lobbyists appointed to provide the Committee with the views of a particular group, organization, or association, such as Representative members.

Applications

Applications are being accepted to fill the remaining terms of two vacant seats and to fill two seats with upcoming expiring terms. These four seats will be designated as Representative members:

Two (2) seats for representatives of a unique business that primarily provides cloud computing products or services. One seat will be appointed to serve for the remainder of the vacant term, scheduled to end in May 2025, and the other will be appointed for a three year term.

Two (2) seats for representatives of a unique business that primarily provides cloud computing products or services from a small business (as defined by section 3(a) of the Small Business Act (15 U.S.C. 632(a))). One seat will be appointed to serve for the remainder of the vacant term, scheduled to end in July 2026, and the other will be appointed for a three year term.

Applications for membership on the Committee will be accepted until 5:00 p.m. Eastern Standard Time on Monday, January 22, 2024.

There are two parts to submitting an application. First, complete the information requested via this electronic form <https://forms.gle/kxscdjX6P7oB9vua7>.

Next, email your CV or resume and a letter of endorsement from your organization or organization's leadership, endorsing you to represent your company, to fscac@gsa.gov with the subject line: FSCAC APPLICATION—[Applicant Name]. The letter of endorsement must come from your organization or organization's leadership. If you are the CEO, then it must come from another member of the executive team of your organization, as you cannot endorse yourself. The letter must be signed and specifically state that you are authorized to apply to FSCAC as a representative of your organization.

Please note: Letters of "recommendation" or other unsolicited deliverables will neither be accepted nor acknowledged. Do not include them.

Applications that do not include the completion of the above instructions will not be considered.

Elizabeth Blake,

Senior Advisor, Federal Acquisition Service, General Services Administration.

Office of Shared Solutions and Performance Improvement (OSSPI); Chief Data Officers Council (CDO); Request for Information—Synthetic Data Generation

AGENCY: Federal Chief Data Officers (CDO) Council; General Services Administration, (GSA).

ACTION: Notice.

SUMMARY: The Federal CDO Council was established by the Foundations for Evidence-Based Policymaking Act. The Council's vision is to improve government mission achievement and increase benefits to the nation through improving the management, use, protection, dissemination, and generation of data in government decision-making and operations. The CDO Council is publishing this Request for Information (RFI) for the public to provide input on key questions concerning synthetic data generation. Responses to this RFI will inform the CDO Council's work to establish best practices for synthetic data generation.

DATES: We will consider comments received by February 5, 2024.
