National Center For Complementary & Integrative Health; Notice of Closed Meeting

Pursuant to section 1009 of the Federal Advisory Committee Act, as amended, notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Center for Complementary and Integrative Health Special Emphasis Panel; HEAL Initiative: Toward Developing Quantitative Imaging and Other Relevant Biomarkers of Myofascial Tissues for Clinical Pain Management (R61/ R33, Clinical Trial Required).

Date: February 16, 2024.

Time: 11:00 a.m. to 5:00 p.m.

Agenda: To review and evaluate grant applications.

Place: National Center for Complementary and Integrative Health, Democracy II, 6707 Democracy Blvd., Bethesda, MD 20892.

Contact Person: Shiyong Huang, Ph.D., Scientific Review Officer, Office of Scientific Review, Division of Extramural Activities, NCCIH/NIH, 6707 Democracy Boulevard, Suite 401, Bethesda, MD 20817, *shiyong.huang@nih.gov.*

Request for Information (RFI): Inviting Comments on the National Institutes of Health's (NIH) Strategic Plan for Data Science 2023–2028

AGENCY: National Institutes of Health, HHS.

ACTION: Request for information.

SUMMARY: The purpose of this Request for Information (RFI) is to solicit public comments on the updated NIH Strategic Plan for Data Science, 2023–2028, including members of the scientific community, academic institutions, the private sector, health professionals, professional societies, advocacy groups, and patient communities, as well as other interested members of the public.

DATES: The NIH Request for Information is open for public comment. To assure consideration, your response must be received by March 15, 2024, 11:59 p.m. (ET).

ADDRESSES: All comments must be submitted electronically on the submission website at *https://data science.nih.gov/rfi-strategic-plan* or to the mailbox at *strategic-plan-rfi@ od.nih.gov.*

Responses must be received by 11:59:59 p.m. (ET) on March 15, 2024.

Responses to this RFI are voluntary and may be submitted anonymously. You may voluntarily include your name and contact information with your response. If you choose to provide NIH with this information, NIH will not share your name and contact information outside of NIH unless required by law.

Other than your name and contact information, please do not include any personally identifiable information or any information that you do not wish to make public. Proprietary, classified, confidential, or sensitive information should not be included in your response. The government will use the information submitted in response to this RFI at its discretion. Other than your name and contact information, the government reserves the right to use any submitted information on public

websites, in reports, in summaries of the state of the science, in any possible resultant solicitation(s), grant(s), or cooperative agreement(s), or in the development of future funding opportunity announcements. This RFI is for informational and planning purposes only and is not a solicitation for applications or an obligation on the part of the government to provide support for any ideas identified in response to it. Please note that the government will not pay for the preparation of any information submitted or for use of that information.

We look forward to your input and hope that you will share this RFI opportunity with your colleagues.

FOR FURTHER INFORMATION CONTACT: Questions about this request for information should be directed to Dr. Susan Gregurick, 301–538–9781, *strategic-plan-rfi@od.nih.gov,* National Institutes of Health, Office of Data Science Strategy, 9000 Rockville Pike, Bethesda, Maryland 20892.

SUPPLEMENTARY INFORMATION: NIH is requesting public comment on topics under consideration for the updated NIH Strategic Plan for Data Science, 2023–2028 from its partners and collaborators, including members of the scientific community, academic institutions, the private sector, health professionals, professional societies, advocacy groups, and patient communities, as well as other interested members of the public. This RFI is in accordance with 42 U.S.C. 281 as amended.

Background

The updated Strategic Plan for Data Science (*https://datascience.nih.gov/ sites/default/files/NIH-STRATEGIC-PLAN-FOR-DATA-SCIENCE-2023-2028- final-draft.pdf*) sets a bold vision for the future, one in which data generated in the course of care of individuals and data generated from biomedical and basic research become powerful inputs that enhance our understanding of fundamental biology and enables the development of new clinical treatments and diagnostic technologies. This updated plan builds on accomplishments from the initial NIH Strategic Plan for Data Science (*https:// datascience.nih.gov/nih-strategic-plan- data-science*) and will prepare NIH to face the acceleration of sophisticated new technologies and address the rapid rise in the quantity and diversity of data. The updated Strategic Plan supports the NIH Policy for Data Management and Sharing (*https:// sharing.nih.gov/data-management-and- sharing-policy*) and embraces data-
