

final results of review within five days after the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

The final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: January 11, 2024.

Abdelali Elouaradia,

Deputy Assistant Secretary for Enforcement and Compliance.

Appendix

List of Topics Discussed in the Issues and Decision Memorandum

- I. Summary
- II. Background
- III. Scope of the Order
- IV. Subsidies Valuation
- V. Use of Facts Otherwise Available and Adverse Inferences
- VI. Discussion of the Issues
 - Comment 1: Whether Commerce Should Apply an Adverse Facts Available (AFA) Rate to Gentile
 - Comment 2: Whether Commerce Erred in Finding the IRAP Program to be Countervailable and its Calculation of the Program
 - Comment 3: Calculation of the "All-Others" Rate
- VII. Recommendation

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Marine and Coastal Area-Based Management Advisory Committee Meeting

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

ACTION: Notice of open public meeting.

SUMMARY: This notice sets forth the proposed schedule and agenda of a forthcoming meeting of the Marine and

Coastal Area-based Management Advisory Committee (MCAM). The members will discuss and provide advice on issues outlined under **SUPPLEMENTARY INFORMATION** below.

DATES: The meeting will be February 1 and 2, 2024 from 9 a.m. to 5 p.m. eastern time.

ADDRESSES: The meeting will be held in the Spring Room at the Silver Spring Civic Building, 1 Veterans Place, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Lauren Wenzel, Director, NOAA's National Marine Protected Areas Center, Lauren.Wenzel@noaa.gov, (240) 533-0652; or Heather Sagar, Senior Policy Advisor, NOAA Fisheries, Heather.Sagar@noaa.gov, (301) 427-8019.

SUPPLEMENTARY INFORMATION: As required by section 10(a)(2) of the Federal Advisory Committee Act, 5 U.S.C. app, notice is hereby given of a meeting of MCAM. The MCAM was established in 2022 to advise the Under Secretary of Commerce for Oceans and Atmosphere on science-based approaches to area-based protection, conservation, restoration, and management in coastal and marine areas, including the Great Lakes. The charter is located online at <https://oceanservice.noaa.gov/ocean/marine-coastal-fac/>.

I. Matters To Be Considered

The meeting time and agenda are subject to change. The meeting is convened to discuss the following topics: area-based management in the U.S.; the use of NOAA's science and knowledge to guide area-based management; NOAA's restoration programs and tools; how NOAA may best leverage area-based management tools, investments, and authorities; how NOAA may foster healthy coastal communities through partnerships, jobs, and support; the Biden-Harris Administration's America the Beautiful initiative, as well as various administrative and organizational matters. The times and the agenda topics described here are subject to change.

II. Public Comment Instructions

The meeting will be open to public participation (check agenda on *website* to confirm time). Written comments should be received by the Designated Federal Official by January 26, 2024, to provide sufficient time for Committee review. Written comments received after January 26, 2024, will be distributed to the Committee, but may not be reviewed prior to the meeting date. To submit

written comments, please email Ellie Roberts, ellie.roberts@noaa.gov.

III. Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Ellie Roberts at ellie.roberts@noaa.gov, at least 5 days prior to the meeting date.

IV. Exceptional Circumstances

Pursuant to 41 CFR 102-3.150, the notice for this meeting is given fewer than 15 calendar days prior to the meeting due to exceptional circumstances. It is imperative that the inaugural meeting of the MCAM proceed as scheduled, as Committee members have made business plans to attend the meeting, there is no other meeting date in a reasonable time frame that would accommodate schedules without causing undue financial burden, and there is an immediate business and mission need for the FAC to convene to establish its workflows and anticipated products.

John Armor,

Designated Federal Official, Marine and Coastal Area-based Management Advisory Committee, Director, Office of National Marine Sanctuaries, National Ocean Service, National Oceanic and Atmospheric Administration.

BILLING CODE 3510-NK-P

DEPARTMENT OF DEFENSE

Department of the Army

[Docket ID: USA-2023-HQ-0014]

Submission for OMB Review; Comment Request

AGENCY: U.S. Army Corps of Engineers (USACE), Department of the Army, Department of Defense (DoD).

ACTION: 30-Day information collection notice.

SUMMARY: The DoD has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by February 20, 2024.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular

information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Lane Purvis, (571) 372-0460, whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Managed Aquifer Recharge Planning and Guidance Study; OMB Control Number 0710-MARP.

Type of Request: New.

Number of Respondents: 1,600.

Responses per Respondent: 1.

Annual Responses: 1,600.

Average Burden per Response: 15 minutes.

Annual Burden Hours: 400.

Needs and Uses: The survey will inform the development of a screening tool and other resources for USACE Districts to identify optimal sites for Managed Aquifer Recharge (MAR), which uses captured surface water to replenish groundwater. The Water Resources Development Act (WRDA) of 2016 provides authority for water supply conservation projects for drought resilience and water supply availability studies for water resources development (Sections 1116 and 1118, respectively). The WRDA of 2016 further requires USACE to consider natural and nature-based features, such as MAR, as potential solutions to address various challenges along with other measures. However, USACE has not developed a strategic framework for incorporating MAR into its operations. Furthermore, the Institute for Water Research concluded that Districts only engage with aquifer recharge in an “ad hoc” manner and recommended that USACE “upgrade its internal capacity in MAR.” (IWR 2020). The WRDA of 2022 instructs USACE to “conduct a study at Federal expense to determine the feasibility of carrying out managed aquifer recharge projects to address drought, water resiliency, and aquifer depletion.” Following these recommendations, the proposed work contributes to the development of guidance on MAR. This aligns with Civil Works strategies for flood risk management, restoration of aquatic ecosystems in floodplains, and developing environmentally sustainable technical services that enhance public safety and require collaborative partnerships.

The U.S. Army Corps of Engineers—Engineer Research and Development Center has partnered with Arizona State University (ASU) through the Cooperative Ecosystems Studies Units

(CESU) Network to complete the “Managed Aquifer Recharge Planning and Guidance Study” and meet the above goals and directives. The design of an effective screening tool and other resources for implementing MAR requires information held by key stakeholders and decision-makers to understand the challenges and needs associated with implementing MAR in regions around the nation. Developing the screening tool and other resources will further require identifying practitioners and stakeholders interested in participating in pilot projects.

The ASU Principal Investigator and research team will deploy a survey to inform the development of a MAR screening tool by gathering information about the knowledge, perceptions, and attitudes of stakeholders and decision-makers about MAR. The survey will target a purposively developed sample of key water and floodplain stakeholders and decision-makers from across the continental United States.

Affected Public: Individuals or households; not-for-profit Institutions; State, local or Tribal government.

Frequency: One time.

Respondent’s Obligation: Voluntary.

OMB Desk Officer: Mr. Matthew Oreska.

You may also submit comments and recommendations, identified by Docket ID number and title, by the following method:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

Instructions: All submissions received must include the agency name, Docket ID number, and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

DOD Clearance Officer: Mr. Lane Purvis.

Requests for copies of the information collection proposal should be sent to Mr. Purvis at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil.

Dated: January 10, 2024.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Community Noise Mitigation Program Grant Proposals; OMB Control Number: 0704-CNMP.

Type of Request: New.

Number of Respondents: 50.

Responses per Respondent: 1.

Annual Responses: 50.

Average Burden per Response: 40 hours.

Annual Burden Hours: 2,000.

Needs and Uses: Section 8120 of the Consolidated Appropriations Act, 2022 (Pub. L. 117-103) provided \$75 million to the Office of Local Defense Community Cooperation (OLDCC) of the DoD to “make grants to communities impacted by military aviation noise for the purpose of installing noise mitigating insulation at covered facilities.” These funds expire if they are not obligated prior to September 30, 2025.

To implement this congressional direction, OLDCC may award grants to local governments under the competitive Community Noise Mitigation Program (CNMP) for the purpose of reducing the impact of fixed
