

Register or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) by order approve or disapprove such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

The proposal shall not take effect until all regulatory actions required with respect to the proposal are completed.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include file number SR-OCC-2023-007 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090. All submissions should refer to file number SR-OCC-2023-007. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of OCC and on OCC's website at <https://>

www.theocc.com/Company-Information/Documents-and-Archives/By-Laws-and-Rules.

Do not include personal identifiable information in submissions; you should submit only information that you wish to make available publicly. We may redact in part or withhold entirely from publication submitted material that is obscene or subject to copyright protection. All submissions should refer to file number SR-OCC-2023-007 and should be submitted on or before February 14, 2024.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁹⁴

Sherry R. Haywood,

Assistant Secretary.

Daniel J. Commins,

Manager, Integration and Performance Branch, Policy and Standards Division, Aircraft Certification Service.

Summary of Petition for Exemption

Docket No.: FAA-2023-0987.

Petitioner: Verge, Inc. dba Verge Aero.
Section(s) of 14 CFR Affected: § 89.515.

Description of Relief Sought: The petitioner seeks relief from the remote identification design and production requirements under 14 CFR 89.515 for the production of an uncrewed aircraft (UA) without design or production approval for light show events. If granted, the requested relief would allow Verge Aero to produce drones to be used exclusively for drone show operations without the UA complying with the minimum performance requirements for standard remote identification UA established in § 89.310. In lieu of complying with 14 CFR 89.515, the petitioner proposes to use a ground-based WiFi router network to broadcast identifying information for

the fleet of UAs operated during a light show.
