SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it

finds that such articles should not be excluded from entry. (19 U.S.C. 1337(d)(1)). A similar provision applies to cease and desist orders. (19 U.S.C. 1337(f)(1)).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation, specifically: a limited exclusion order directed to certain integrated circuits, components thereof, and products containing the same imported, sold for importation, and/or sold after importation by respondent Advanced Micro Devices, Inc. of Santa Clara, CA (“AMD”); and cease and desist orders directed to AMD. In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended remedial orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

- (v) explain how the recommended orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on February 23, 2024.
