

Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP.

The communities affected by the flood hazard determinations are provided in the tables below. Any request for reconsideration of the revised flood hazard information shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations also will be considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of

experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP only may be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at https://www.floodsrp.org/pdfs/srp_overview.pdf.

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location <https://>

hazards.fema.gov/femaportal/prelim_download and the respective Community Map Repository address listed in the tables. For communities with multiple ongoing Preliminary studies, the studies can be identified by the unique project number and Preliminary FIRM date listed in the tables. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison. AGENCY: Office of the Assistant Secretary for Public and Indian Housing; Office of the Assistant Secretary for Housing-Federal Housing Commissioner; and Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: HUD’s regulations provide for HUD to periodically publish in the **Federal Register** a notice that lists sources of income specifically excluded by any Federal statute from consideration as income for purposes of determining eligibility or benefits in a HUD program. HUD last published a notice that listed federally mandated exclusions from consideration of income on May 20, 2014. This notice replaces the previously published version, adds new exclusions, and removes exclusions that are now codified in HUD regulations.

Please note: Members of the public who are aware of any other Federal statutes that require certain income sources to be excluded from income or asset calculations in HUD programs, but are not mentioned in the notice, should submit information about the statute and the benefit program to one of the persons listed in the “For Further Information Contact” section above. Members of the public may also submit this information to the Regulations Division, Office of General Counsel, Department of Housing and Urban

Development, 451 7th Street SW, Room 10276, Washington, DC 20410-0500.

SUPPLEMENTARY INFORMATION: Under several HUD programs (Mortgage Insurance and Interest Reduction Payment for Rental Projects under 24 CFR part 236; Section 8 Housing Assistance programs; Public Housing programs); HOME Investment Partnerships Program under 24 CFR part 92; Housing Trust Fund under 24 CFR part 93; Housing Opportunities for Persons With AIDS under 24 CFR part 574, the definition of income excludes amounts of other benefits specifically excluded by Federal law.

Background

Certain HUD programs require income and asset calculations to determine eligibility and levels of assistance. Some HUD programs are required by statute to perform income and asset determinations and other HUD programs apply these requirements administratively through regulations, notices, contract agreements, etc. Any HUD program that requires income calculations for these purposes must not consider sources or amounts of income that are specifically excluded by Federal law. The purpose of this notice is to update the list of income and asset sources required by Federal law to be excluded from consideration in HUD programs.

Changes to the Previously Published List

HUD last published in the **Federal Register** a notice of federally mandated exclusions from income on May 20, 2014, at 79 FR 28938. Today's notice replaces the previously published version by adding four new income exclusions and correcting existing exclusions to identify where amounts are excluded from consideration as assets in HUD programs.

(1) Corrects an exception to payments, including for supportive services and reimbursement of out-of-pocket expenses, for volunteers under the Domestic Volunteer Service Act of 1973, listed as exclusion (2);

(2) Adds the amount of any refund (or advance payment with respect to a refundable credit) issued under the Internal Revenue Code is excluded from income and assets for a period of 12 months from receipt (26 U.S.C. 6409), listed as exclusion (14);

(3) Adds allowance paid to children of certain Thailand service veterans born with spina bifida (38 U.S.C. 1822), listed as exclusion (17);

(4) Corrects the exclusion of income applicable to programs under the Native American Housing Assistance and Self-

Determination Act (NAHASDA) (25 U.S.C. 4101 *et seq.*) to more accurately capture the language of 25 U.S.C. 4103(9), listed as exclusion (23);

(5) Corrects that any assistance, benefit, or amounts earned by or provided to the individual development account are excluded from income, as provided by the Assets for Independence Act, as amended (42 U.S.C. 604(h)(4)), listed as exclusion (25);

(6) Corrects that the first \$2,000 of per capita payments are also excluded from assets unless the per capita payments exceed the amount of the original Tribal Trust Settlement proceeds and are made from a Tribe's private bank account in which the Tribe has deposited the settlement proceeds (25 U.S.C. 117b(a), 25 U.S.C. 1407), listed as exclusion (26);

(7) Adds the value of, distributions from, and certain contributions to Achieving Better Life Experience (ABLE) accounts established under the ABLE Act of 2014 (Pub. L. 113-295.), listed as exclusion (28); and

(8) Adds assistance received by a household from payments made under the Emergency Rental Assistance Program pursuant to the Consolidated Appropriations Act, 2021 (Pub. L. 116-260), and the American Rescue Plan Act of 2021 (Pub. L. 117-2), listed as exclusion (29).

Updated List of Federally Mandated Exclusions From Income

The following updated list of Federally mandated income exclusions supersedes the notice published in the **Federal Register** on May 20, 2014. The exclusions listed below apply to income only, except where HUD states that the exclusion also applies to assets. Actual income earned from an excluded asset may be included in income if it is not deposited into an account that is disregarded and excluded under one of the below authorities. If an amount is in an excluded account, like an Independent Development Account or an ABLE account, then the statute or the regulations associated with that income/asset exclusion will dictate what portion of the income earned off the amount, if any, is to be included in the family's income. Please note that exclusions (13) and (23) have provisions that apply only to specific HUD programs):

SUPPLEMENTARY INFORMATION: We, the U.S. Fish and Wildlife Service, invite the public to comment on applications for permits under section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*). The requested permits would allow the applicants to conduct activities intended to promote recovery of species that are listed as endangered under the ESA.

Background

With some exceptions, the ESA prohibits activities that constitute take

of listed species unless a Federal permit is issued that allows such activity. The ESA’s definition of “take” includes such activities as pursuing, harassing, trapping, capturing, or collecting, in addition to hunting, shooting, harming, wounding, or killing.

A recovery permit issued by us under section 10(a)(1)(A) of the ESA authorizes the permittee to conduct activities with endangered or threatened species for scientific purposes that promote recovery or for enhancement of propagation or survival of the species. These activities often include such prohibited actions as capture and collection. Our regulations implementing section 10(a)(1)(A) for these permits are found in the Code of Federal Regulations (CFR) at 50 CFR 17.22 for endangered wildlife species, 50 CFR 17.32 for threatened wildlife species, 50 CFR 17.62 for endangered plant species, and 50 CFR 17.72 for threatened plant species.

Permit Applications Available for Review and Comment

Proposed activities in the following permit requests are for the recovery and enhancement of propagation or survival of the species in the wild. The ESA requires that we invite public comment before issuing these permits. Accordingly, we invite local, State, Tribal, and Federal agencies and the public to submit written data, views, or arguments with respect to these applications. The comments and recommendations that will be most useful and likely to influence agency decisions are those supported by quantitative information or studies.
