**SUPPLEMENTARY INFORMATION:** This SORN supported activities related to collecting and servicing various HUD/Federal Housing Association (FHA) debts under the Department's Title I and Generic Debt programs. The method used for retrieving records was assessed, and it was found that the system's records are retrieved using the Claim Number (also known as Case Number or Account Number) assigned to the debt. While the system has the capability to search using the debtors' Social Security Numbers, Names, and Addresses, these fields were never the primary methods of retrieval. As a result, the DCAMS system of records is being rescinded since it does not meet the legal definition. Though the systems will keep operating normally.
