**Abstract:** The President issued a Proclamation on Granting Pardon for the Offense of Simple Possession of Marijuana (Proclamation) on October 6, 2022. In that proclamation, he directed the Attorney General, acting through the Pardon Attorney, to develop procedures to “administer and effectuate the issuance of certificates of pardon to eligible applicants . . . as soon as reasonably practicable.” The Proclamation specifically commands the Pardon Attorney to “develop and announce application procedures.” Accordingly, the Pardon Attorney had developed the subject form to collect information from potential pardon recipients, which was granted full approval under OMB Number 0123–0014, on September 5, 2023.

On December 22, 2023, the President issued a second proclamation that broadened the pardon to additional persons convicted of simple possession of marijuana under Federal or D.C. code law.

The second proclamation expanded the statutes of conviction eligible for a pardon, the circumstances under which eligible persons have been pardoned, and the time frame covered by the pardon. Consequently, the number of persons eligible to apply for a certificate proving the pardon has also increased.

Importantly, there is virtually no change to the burden that an individual applicant will incur: the application continues to ask applicants to confirm that the petitioner is U.S. citizen or lawful permanent resident who was lawfully in the country at the time the marijuana offense occurred; information regarding their current citizenship status, and if naturalized, the date or if a lawful permanent resident, the date that status was attained; the alien registration or citizenship number of a

lawful permanent resident or naturalized citizen applicant; information regarding the specific court in which the applicant was charged or convicted and the date of said conviction, if any; information regarding the applicant's race, gender, and ethnicity; identifying information regarding the applicant's date and place of birth; and documentation of the applicant's charge or convictions.

The information collected from the Certificate Application will primarily be used to determine whether the applicant qualifies for pardon under the terms of the Proclamation. The information may also be used to provide statistical analysis of the demographics of pardon recipients and applicants.

**Overview of This Information Collection**

1. *Type of Information Collection:* Revision of a previously approved collection.
2. *The Title of the Form/Collection:* Application for Certificate of Pardon for Simple Possession of Marijuana.
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* There is no agency form number for this collection. The applicable component within the Department of Justice is the Office of the Pardon Attorney.
4. *Affected public who will be asked or required to respond, as well as the obligation to respond:* Affected Public: Individuals or households. The obligation to respond is voluntary.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* Available information suggests that the new proclamation has approximately doubled the potential applicant pool. However, the review of the applications received within a 10-month time frame indicates that 1,500 applicants annually is a reasonable projection. We estimate an average of 120 minutes for each applicant to respond to the collection.

6. *An estimate of the total annual burden (in hours) associated with the collection:* Considering the above projected figures, we estimate hours of annual burden to the public.

7. *An estimate of the total annual cost burden associated with the collection, if applicable:* \$0.

**TOTAL BURDEN HOURS**

Activity	Number of respondents	Frequency	Total annual responses	Time per response	Total annual burden (hours)
Application .....	1,500	1/annually .....	1,500	2 hrs .....	3,000
<i>Unduplicated Totals</i> .....	<i>1,500</i>	.....	<i>1,500</i>	.....	<i>3,000</i>
