SUPPLEMENTARY INFORMATION:

Background: The Secretary of Health and Human Services, the Assistant Secretary for Health, and by delegation the Director, Centers for Disease Control and Prevention, are authorized under Sections 301 and 308 of the Public Health Service Act to conduct directly, or by grants or contracts, research, experiments, and demonstrations relating to occupational safety and health and to mine health.

Purpose: The Board of Scientific Counselors, National Institute for Occupational Safety and Health (BSC, NIOSH) provides advice to the Director, National Institute for Occupational Safety and Health, on NIOSH research and prevention programs. The Board also provides guidance on the Institute's research activities related to developing and evaluating hypotheses, systematically documenting findings, and disseminating results. In addition, the Board evaluates the degree to which the activities of NIOSH: (1) conform to those standards of scientific excellence appropriate for Federal scientific institutions in accomplishing objectives in occupational safety and health; (2) address currently relevant needs in the fields of occupational safety and health either alone or in conjunction with other known activities inside and outside of NIOSH; and (3) produce their intended results in addressing important research questions in occupational safety and health, both in terms of applicability of the research findings and dissemination of the findings.

Matters To Be Considered: The agenda for the meeting addresses the NIOSH Evaluation Capacity Building Plan (ECB Plan) and Scoring Progress on the ECB Plan; Diversity, Equity, and Inclusion at NIOSH; and a National Firefighter Registry Subcommittee Update. Agenda items are subject to change as priorities dictate.

The agenda is also posted on the NIOSH website at <https://www.cdc.gov/niosh/bsc/>.

Agency Forms Undergoing Paperwork Reduction Act Review

In accordance with the Paperwork Reduction Act of 1995, the Centers for Disease Control and Prevention (CDC)

has submitted the information collection request titled "National Notifiable Diseases Surveillance System (NNDSS)" to the Office of Management and Budget (OMB) for review and approval. CDC previously published a "Proposed Data Collection Submitted for Public Comment and Recommendations" notice on November 14, 2023 to obtain comments from the public and affected agencies. CDC received one comment related to the previous notice. This notice serves to allow an additional 30 days for public and affected agency comments.

CDC will accept all comments for this proposed information collection project. The Office of Management and Budget is particularly interested in comments that:

(a) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(c) Enhance the quality, utility, and clarity of the information to be collected;

(d) Minimize the burden of the collection of information on those who are to respond, including, through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses; and

(e) Assess information collection costs.

To request additional information on the proposed project or to obtain a copy of the information collection plan and instruments, call (404) 639-7570. Comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Direct written comments and/or suggestions regarding the items contained in this notice to the Attention: CDC Desk Officer, Office of Management and Budget, 725 17th Street NW, Washington, DC 20503 or by fax to (202) 395-5806. Provide written comments within 30 days of notice publication.
