

The survey instrument includes several changes from the prior 3-year cycle:

Added a new section, “Request for Hearing.” The section focuses on how customers requested a hearing, how satisfied they were with the method they used to request a hearing, and about the clarity of form OMHA–100 (Request for ALJ Hearing or Review of Dismissal).

Changed “Hard Copy, internet and Phone Information” section to “Communications and Web Tools” section.

Added a brief statement about when customers should have received the “Notice of Nondiscrimination” document.

Added two satisfaction questions for appellants who used the e-Appeal Portal—one about updates the portal provides on their appeal and another about using the portal for uploading documents electronically.

Changed “Telephone Hearing” section to “Hearing.” The appellant is asked what type of hearing they had (telephone or video) and satisfaction with using that method. If they attended a telephone hearing, appellants will be asked whether they were offered the option of a video hearing; if not, they will be asked if they would have participated in a video hearing if offered.

Data collection instruments and recruitment materials will be offered in

English and Spanish. The estimated total number of respondents across all 3 years is 2,400 (800 respondents each FY for FY 2024, FY 2025, and FY2026). The estimated total annual burden hours expected across all years is 600 hours (200 hours each FY for FY 2024, FY 2025, and FY 2026).

The survey will be conducted annually, and survey respondents will consist of Medicare beneficiaries and non-beneficiaries (*i.e.*, providers, suppliers) who participated in a hearing before an OMHA ALJ. OMHA will draw a representative, nonredundant sample of appellants whose cases had been closed in the first 6 months of the surveyed fiscal year.

ANNUALIZED BURDEN HOUR TABLE

Forms (if necessary)	Respondents (if necessary)	Number of respondents	Number of responses per respondents	Average burden per response	Total burden hours
	Beneficiaries	400	1	15/60	100
	Non-Beneficiaries	400	1	15/60	100
Total	800	1	200
