SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: TRICARE Inpatient Satisfaction Survey (TRISS); OMB Control Number: 0720–TRSS.

Type of Request: New.

Number of Respondents: 63,600 (60,600 TRISS Adult; 3,000 TRISS Child).

Responses per Respondent: 1.

Annual Responses: 63,600.

Average Burden per Response: 7 minutes for TRISS Adult; 15 minutes for TRISS Child.

Annual Burden Hours: 7,820.

Needs and Uses: The Defense Health Affairs administers the TRISS surveys (TRISS Adult and TRISS Child) to understand perceptions of inpatient care among Military Health System users. The survey instruments adhere to the methodological and analytical protocols and questionnaire items mandated by the industry standard Hospital Consumer Assessment of Healthcare Providers and Systems protocol. Developed by the Centers for Medicare and Medicaid Services and the Agency for Healthcare Research and Quality, the program provides valid and reliable self-reported experience ratings of inpatient experiences. As a result, the TRISS program allows objective and meaningful comparisons between hospitals, in areas that are important to consumers. The main goals of the TRISS are to:

- Provide comparable data on the patient’s perspective on care that allows objective and meaningful comparisons between hospitals on domains that are important to beneficiaries.
- Establish a uniform measure of user satisfaction with received healthcare services.
- Public reporting of the survey results is designed to create incentives for Military Treatment Facility (MTFs) to improve their quality of care.

The study population consists of military personnel, their family

members, and eligible retirees and their family members with a recent overnight hospitalization. The survey is administered to patients after a recent discharge from either a MTF or a civilian hospital to gather information about their experience of the care they received. Data are reported quarterly to track trends over time.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent’s Obligation: Voluntary.
