- Establishing or enhancing the availability for elder shelters and other emergency, short-term housing and accompanying “wrap-around” services for APS clients;

Awards authorized under the EJA section 2042(b) shall be provided to the agency or unit of State government having the legal responsibility for providing adult protective services within the State, District of Columbia, or Territory. Funding under this opportunity may be used to serve any APS client who meets their State’s statutory or regulatory criteria for client eligibility for APS services.
