SUPPLEMENTARY INFORMATION:

Background

On October 18, 2023, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of aluminum lithographic printing plates (printing plates) from China and Japan.¹ Currently, the preliminary determinations are due no later than March 6, 2024.

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On February 6, 2024, the petitioner² submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations, in accordance with 19 CFR 351.205(b)(2).³ The petitioner requests postponement to allow Commerce adequate time to issue supplemental questionnaires and to conduct a thorough analysis in these investigations.⁴

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Final Results and Final Determination of No Shipments of Antidumping Duty Administrative Review; 2022–2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that no companies under review qualify for a separate rate, and that these companies are, therefore, considered part of the Socialist Republic of Vietnam (Vietnam)-wide entity. Additionally, Commerce determines that certain companies had no shipments of subject merchandise during the period of review (POR), February 1, 2022, through January 31, 2023.

DATES: Applicable February 14, 2024.

FOR FURTHER INFORMATION CONTACT: Jonathan Schueler AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-9175 respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 3, 2023, Commerce published in the **Federal Register** the preliminary results of this administrative review of the antidumping duty order on certain frozen warmwater shrimp from Vietnam.¹ This review covers 118 companies preliminarily determined to be part of the Vietnam-wide entity and four companies preliminarily determined to have no shipments of subject merchandise during the POR.² We invited parties to comment on the *Preliminary Results*.³ No interested party submitted comments. Accordingly, the final results are unchanged from the *Preliminary Results*, with the exception of our treatment of Vietnam Fish One,⁴ and no decision memorandum accompanies this **Federal Register** notice. Commerce conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order⁵

The merchandise subject to the *Order* is certain frozen warmwater shrimp from Vietnam. For a full description of the scope of the *Order*, see the *Preliminary Results*.⁶

Final Determination of No Shipments

In the *Preliminary Results*, Commerce found that the following four companies did not have any shipments of subject merchandise during the POR: (1) Bien Dong Seafood Co., Ltd.; (2) Vinh Hoan Corp.; (3) Seavina Joint Stock Company; and (4) BIM Foods Joint Stock

² In the *Preliminary Results*, we preliminarily determined that 117 companies under review belong to the Vietnam-wide entity. However, after the publication of the *Preliminary Results*, we determined that, based upon a re-examination of the record, Vietnam Fish One Co., Ltd. (Vietnam Fish One), a company with respect to which we stated we would rescind the review in the *Preliminary Results*, must be included in the Vietnam-wide entity because of its historical *a.k.a.* relationship with Viet Hai Seafood Co., Ltd., a company we preliminarily determined to belong to the Vietnam-wide entity.
