

with the regulation and to monitor margin credit.

The FR T-4, FR U-1, and FR G-3 are forms that implement recordkeeping requirements for brokers and dealers, banks, and other lenders, respectively. The FR T-4 documents the purpose of credit being extended when that credit is not to purchase, carry, or trade in securities and the credit is in excess of that otherwise permitted under Regulation T. The FR G-3 and FR U-1 document the purpose of loans secured by margin stock.

Proposed revisions: The Board proposes to revise the FR G-1 and FR G-4 by updating the confidentiality treatment as contained in the reporting instructions to state that individual respondents may request that information submitted to the Board through the FR G-1 and FR G-4 be kept confidential and the Board will evaluate whether such treatment is appropriate on a case-by-case basis. The reports currently state that the Board considers the information submitted to be confidential. The Board believes these changes more accurately reflect its obligations under the Privacy Act of 1974, 5 U.S.C. 552a. There are no changes being proposed to the FR G-2, FR G-3, FR T-4, or FR U-1.

Frequency: Event-generated.

Respondents: The FR G-1, FR G-2, FR G-3, and FR G-4 panels comprise lenders, other than banks, brokers, or dealers, that extend margin credit, including federal and state credit unions; insurance companies; commercial and consumer credit organizations; production credit associations; small businesses; insurance premium funding plans; plan-lenders (a company or its affiliate that extends credit to employees to purchase company stock under an eligible employee stock option or stock purchase plan); and lenders to Employee Stock Ownership Plans (ESOPs), thrift plans, and broker-dealer affiliates. The FR T-4 panel comprises brokers and dealers and the FR U-1 panel comprises banks.

Total estimated number of respondents: FR G-1, 25; FR G-2, 12; FR G-3, 10; FR G-4, 129; FR T-4, 14; FR U-1, 14.

Estimated average hours per response: FR G-1, 1.65; FR G-2, 0.53; FR G-3, 0.25; FR G-4, 2.07; FR T-4, 0.25; FR U-1, 0.25.

Total estimated annual burden hours: 697.¹

SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

During the comment period for this proposal, a copy of the proposed PRA OMB submission, including the draft reporting form and instructions, supporting statement (which contains more detail about the information collection and burden estimates than this notice), and other documentation, will be made available on the Board's public website at <https://www.federalreserve.gov/apps/reportingforms/home/review> or may be requested from the agency clearance officer, whose name appears above. Final versions of these documents will be made available at <https://www.reginfo.gov/public/do/PRAMain>, if approved.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;

b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, Following Information Collection

Collection title: Recordkeeping Requirements Associated with Regulation F.

Collection identifier: FR F.

OMB control number: 7100-0331.

General description of collection: The Board's Regulation F—Limitations on Interbank Liabilities (12 CFR part 206) establishes limits on depository institutions' credit exposure to individual correspondents in order to mitigate the risk that the failure of a correspondent would pose to an insured depository institution.¹ Section 206.3 of Regulation F requires insured depository institutions to establish and maintain policies and procedures designed to prevent excessive exposure to correspondents.

Frequency: This information collection contains recordkeeping requirements. The creation of written policies and procedures concerning interbank liabilities is a mandatory one-time requirement. Subsequent changes to these policies and procedures would be on occasion, and they must be reviewed and approved by the depository institution's board of directors at least annually. The policies and procedures must be maintained, as amended.

Respondents: All depository institutions insured by the Federal Deposit Insurance Corporation (FDIC).²

Total estimated number of respondents: 4,655.

Total estimated annual burden hours: 4,753.³

¹ Correspondent means a U.S. depository institution or a foreign bank to which a bank has exposure but does not include a commonly controlled correspondent. 12 CFR 206.2(c).

² The Board takes burden under the Paperwork Reduction Act with respect to all such entities.
