SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501–3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

SUPPLEMENTARY INFORMATION:

Supplemental Collection Request Title: Health Professions Student Loan (HPSL) Program, Loans for Disadvantaged Students (LDS) Program, Primary Care Loan (PCL) Program, and Nursing Student Loan (NSL) Program Administrative Requirements, OMB No. 0915-0047—Revision.

Abstract: This clearance request is for approval of the HPSL Program, LDS Program, PCL Program, and NSL Program Administrative Requirements.

The HPSL Program, authorized by Public Health Service (PHS) Act sections 721-722 and 725-735, is a grant program where recipients provide long-term, low-interest loans to students attending schools of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, podiatric medicine, and pharmacy. The LDS Program, authorized by PHS Act sections 721-722 and 724-735, is a grant program where recipients provide long-term, low interest loans to certain students attending schools of allopathic medicine, osteopathic medicine, podiatric medicine, dentistry, optometry, pharmacy, and veterinary medicine. The PCL Program, authorized by PHS Act sections 721-723 and 725-735, is a grant program where recipients provide long-term, low interest loans to students attending schools of allopathic medicine and osteopathic medicine to practice primary health care. The NSL Program, authorized by PHS Act sections 835-842, is a grant program where recipients provide long-term,

low-interest loans to students who attend eligible schools of nursing in programs leading to a diploma degree, an associate degree, a baccalaureate degree, or a graduate degree in nursing. These programs have a number of recordkeeping and reporting requirements for academic institutions and loan applicants. The applicable program regulations are found in 42 CFR 57.201-218 and 57.301-318. HRSA proposes revisions to the Annual Operating Report (AOR)-HRSA Form 501 completed by institutions participating in the HPSL, LDS, PCL, and NSL Programs to obtain additional information about those institutions and their student borrowers.

A 60-day notice was published in the **Federal Register** on September 7, 2023, vol. 88, No. 172; pp. 61602-04. There were no public comments.

There was a miscalculation of the total burden hours as previously reported in the 60-day FRN, which is updated below to properly account for the 25,080 HPSL/LDS/PCL and NSL Recordkeeping Requirement total hours that were shown but not added in the overall total. The total burden hours are now 353,059, which represents a 7.6 percent increase when compared to the total burden reported in the last ICR.

Need and Proposed Use of the Information: Participating HPSL, LDS, PCL, and NSL schools are responsible for determining the eligibility of applicants, making loans, and collecting monies owed by borrowers on their outstanding loans. Participating schools include schools that are no longer disbursing loans but are required to report and maintain program records, student records, and repayment records until all student loans are repaid in full, and all monies due to the federal government are returned. The Deferment Form, HRSA Form 519, provides the schools with documentation of a borrower's deferment status, as detailed for the HPSL Program under 42 CFR 57.210 and NSL under 42 CFR 57.310, and is included with minor revisions. The proposed revisions to the AOR are to modify the options selected for gender identification consistent with Executive Order 14075 and best practices in data collection recommended by the Office of Management and Budget. Additionally, the Deferment Form is being updated to provide specific directions for the submission requirements to notify students that the deferment request must be submitted to the institution 30 days prior to the payment due date. The institution must respond to the student 30 days after receipt of the student request.
