DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Delinquent Filer Voluntary Compliance Program

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Employee Benefits Security Administration (EBSA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before March 25, 2024.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: Michael Howell by telephone at 202-693-6782, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: Under title I of ERISA, the administrator of each welfare plan and each pension plan, unless otherwise exempt, is required to file an annual report with the Secretary containing the information set forth in section 103 of ERISA. The statutory annual reporting requirements under titles I and IV of ERISA, as well as the Internal Revenue Code (the Code), are satisfied generally by filing the appropriate annual return/report (the Form 5500).

On April 27, 1995, the Department implemented the Delinquent Filer

Voluntary Compliance Program (the DFVC Program) in an effort to encourage annual reporting compliance. Under the DFVC Program, administrators otherwise subject to the assessment of higher civil penalties are permitted to pay reduced civil penalties for voluntarily complying with the annual reporting requirements under title I of ERISA. The only information collection requirement included in the DFVC Program is the requirement of providing data necessary to identify the plan along with the penalty payment. This data is the only means by which each penalty payment is associated with the relevant plan. With respect to most pension plans and welfare plans, the requirement is satisfied by sending, along with the penalty payment, a copy of the delinquent annual report (without attachments or schedules) which is filed with the Department at a different address under the EFAST system. In the event that the plan administrator files the delinquent annual report using a 1998 or prior plan year form, a paper copy of only the first page of the Form 5500 or Form 5500-C, as applicable, should be submitted along with the penalty payment.

Certain pension plans for highly compensated employees, commonly called “top hat” plans, and apprenticeship plans may file a one-time statement in lieu of annual reports. With respect to such plans, information collection requirements of the DFVC Program are satisfied by sending a completed first page of an annual report form along with the penalty payment. The one-time statements are required to be sent to a different address within the Department. The DFVC Program is designed to allow the processing of all penalty payments at a single location within the Department. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on August 25, 2023 (88 FR 58312).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years

without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
