

Voluntary Compliance Program (the DFVC Program) in an effort to encourage annual reporting compliance. Under the DFVC Program, administrators otherwise subject to the assessment of higher civil penalties are permitted to pay reduced civil penalties for voluntarily complying with the annual reporting requirements under title I of ERISA. The only information collection requirement included in the DFVC Program is the requirement of providing data necessary to identify the plan along with the penalty payment. This data is the only means by which each penalty payment is associated with the relevant plan. With respect to most pension plans and welfare plans, the requirement is satisfied by sending, along with the penalty payment, a copy of the delinquent annual report (without attachments or schedules) which is filed with the Department at a different address under the EFAST system. In the event that the plan administrator files the delinquent annual report using a 1998 or prior plan year form, a paper copy of only the first page of the Form 5500 or Form 5500-C, as applicable, should be submitted along with the penalty payment.

Certain pension plans for highly compensated employees, commonly called “top hat” plans, and apprenticeship plans may file a one-time statement in lieu of annual reports. With respect to such plans, information collection requirements of the DFVC Program are satisfied by sending a completed first page of an annual report form along with the penalty payment. The one-time statements are required to be sent to a different address within the Department. The DFVC Program is designed to allow the processing of all penalty payments at a single location within the Department. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on August 25, 2023 (88 FR 58312).
