Notice of Realty Action: Proposed Amendment to an Existing Lease, Montana

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) received an application from Navajo Transitional Energy Company (NTEC) to amend its existing lease pursuant to section 302 of the Federal Land Policy and Management Act (FLPMA) of 1976, as amended, and BLM regulations. The proposed lease amendment would allow surface use only, and no mineral extractions would be allowed on the subject lands. The annual rental for this lease is \$115.47 per acre, and the lease would expire on April 22, 2032, with the option of renewal. This project is located southeast of Billings, Montana.

DATES: Interested parties may submit written comments regarding the proposed amendment on or before April 8, 2024.

ADDRESSES: Written comments may be mailed, or hand delivered to BLM Miles City Field Office, 111 Garryowen Road, Miles City, MT 59301. Comments may also be submitted electronically at *BLM_MilesCity_FO@blm.gov*. The BLM will not consider comments received by telephone.

FOR FURTHER INFORMATION CONTACT: Beth Klempel, Assistant Field Manager, BLM Miles City Field Office, 111 Garryowen Road, Miles City, MT 59301, telephone 406-233-2800, or email *bklempel@blm.gov*. For information regarding this case, refer to case file MTM 74913 and/or MTMT 106077659. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services for contacting Beth Klempel. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The proposed lease amendment effects the following described lands:

Principal Meridian, Montana

T. 8 S., R. 39 E.,

Sec. 13, NE $\frac{1}{4}$ SE $\frac{1}{4}$ that portion lying westerly of the west right-of way

boundary of MTM-37463, and NE $\frac{1}{4}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$.

Sec. 35, W $\frac{1}{2}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$, SW $\frac{1}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$, W $\frac{1}{2}$ SE $\frac{1}{4}$ SE $\frac{1}{4}$, and SE $\frac{1}{4}$ SE $\frac{1}{4}$ SE $\frac{1}{4}$.

The areas described aggregate 67 acres according to the official plat of the survey of the said lands on file with the BLM, as well as approximate GIS calculations.

The BLM is considering amending the existing lease, which currently includes 277.12 acres, to authorize an additional 67 acres, which would increase the total acreage to 344.12 acres. The additional acreage would allow for surface layback, establishing a highwall crest, topsoil and overburden stockpiles, and transportation and utility corridors. Layback on the area proposed by the lease amendment is a critical component in coal surface mine recovery to stabilize the wall as mining on the adjoining land progresses.

The BLM is considering offering the lease amendment noncompetitively to NTEC because the authorized officer has determined that: (1) these parcels are surrounded by land owned or controlled by NTEC; and (2) it is unlikely there would be interest in competitive bidding on these lands.

If the BLM approves the application to amend the lease, the reimbursement of costs and annual rental is the responsibility of the applicant in accordance with the provisions of 43 CFR 2920.6 and 2920.8, respectively. The lease amendment, as proposed in the application, is consistent with the 2015 Miles City Field Office Resource Management Plan.

Comments on the proposed lease amendment should be specific, confined to issues pertinent to the proposed action, and should explain the reason for any recommended revisions. Where possible, comments should include references with specific sections or paragraphs. The BLM is not obligated to consider or include comments received after the close of the comment period or comments delivered to an address other than the one listed above.

Comments, including names and street addresses of respondents, will be available for public review at the BLM Miles City Field Office address listed in **ADDRESSES** above. Before including your address, phone number, email address, or other personal identifying information in your comments, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so.

Any adverse comments regarding the proposed lease amendment will be reviewed by the BLM Montana State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in whole or in part.

Notice of Intent to Establish Recreation Fee Areas and Collect Fees on Public Lands in Chaffee and Fremont Counties, CO

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent.

SUMMARY: Pursuant to the Federal Lands Recreation Enhancement Act (FLREA), the Bureau of Land Management (BLM), Royal Gorge Field Office intends to establish fee areas and to collect fees at Turtle Rock Campground, Burmac Camping Area, Shavano Camping Area, CR304 Camping Area, Browns Grotto Camping Area, Penrose Commons, Sand Gulch Campground, and The Bank Campground in Fremont and Chaffee counties, Colorado.

DATES: Comments on the proposed fee areas and fees must be received or postmarked by March 25, 2024 and must include the commenter's legible full name and address. Starting on August 23, 2024, the BLM will have the option to initiate fee collection at the sites listed in the **SUMMARY** section for overnight visitation unless the BLM publishes a **Federal Register** notice to the contrary. Comments received after the close of the comment period or delivered to an address other than the one listed in this notice may not be considered or included in the administrative record for the proposal.

ADDRESSES: Please email comments to blm_rgfo_comments@blm.gov or send by mail to BLM Royal Gorge Field Office at 3028 E Main Street, Canon City, CO 81212, Attn: Kalem Lenard. Documents concerning this fee change may be reviewed at the Royal Gorge Field Office or online at <https://www.blm.gov/programs/recreation/permits-and-fees/business-plans>.

FOR FURTHER INFORMATION CONTACT:

Kalem Lenard, Assistant Field Manager, phone (719) 269–8500, email: blm_rgfo_comments@blm.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The BLM is committed to providing and receiving fair value for the use of developed recreation facilities and services in a manner that meets public-use demands, provides quality experiences, and protects important resources. The BLM's policy is to collect fees at specialized recreation sites or where the BLM provides facilities, equipment, or services at Federal expense, in connection with outdoor use. Pursuant to FLREA and the regulations at 43 CFR subpart 2933, the BLM may charge expanded amenity fees for overnight camping and group use, including reservation services, where specific amenities and services are provided.

FLREA directs the Secretary of the Interior to publish a 6-month advance notice in the **Federal Register** whenever new recreation fee areas are established. In accordance with BLM policy, the Business Plan for Royal Gorge Field Office Campgrounds (available at <https://www.blm.gov/programs/recreation/permits-and-fees/business-plans>) explains the fee collection process and how fees will be used at this site. Per FLREA guidelines, the Rocky Mountain Resource Advisory Council reviewed the proposal in November 2023 and voted unanimously to support the business plan and fee proposal. To meet increasing demand for services and maintenance and to address increased visitor use and costs of operation, the BLM proposes the following expanded amenity fees:

- \$20 per night basic campsite fee and \$40 per night group campsite fee at Turtle Rock Campground;
- \$10 per night campsite fee for primitive campsites at Shavano, Burmac, Browns Grotto, County Road 304, and Penrose Commons camping areas; and
- \$10 per night vehicle fee for overnight camping use in overflow camping areas with access to nearby campground facilities at Burmac, County Road 304, Penrose Commons, The Bank Campground, and Sand Gulch Campground.

The Royal Gorge Field Office Campground Business Plan used a market analysis and management expense estimates to determine the expanded amenity fees at these recreation sites. The BLM's public outreach process and analysis of the fee program are detailed in the Business Plan. These expanded amenity camping fees are consistent with other established fee sites in the region.
