Copies of available documents submitted to OMB may be obtained from Ms. Pollard.

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

**A. Overview of Information Collection**

*Title of Information Collection:* HUD Environmental Review Online System (HEROS).

*OMB Approval Number:* 2506-0202.

*Type of Request:* Extension of currently approved collection.

*Form Number:* N/A.

*Description of the need for the information and proposed use:* 24 CFR part 58, “Environmental Review

Procedures for Entities Assuming HUD Environmental Responsibilities” requires units of general local government receiving HUD assistance to maintain a written environmental review record for all projects receiving HUD funding documenting compliance with the National Environmental Policy Act (NEPA), the regulations of the Council on Environmental Quality, related federal environmental laws, executive orders, and authorities, and part 58 procedure. Various laws that authorize this procedure are listed in 24 CFR 58.1(b). 24 CFR part 50, “Protection and Enhancement of Environmental Quality,” implements procedures for HUD to perform environmental reviews for projects where part 58 is not permitted by law. Under Part 50, HUD staff complete the environmental review records, but they may use any information supplied by an applicant or contractor, provided HUD independently evaluates the information and is responsible for its accuracy and prepares the environmental finding. HEROS allows users to complete, store, and submit their environmental review records and documents online. HEROS is currently optional for Responsible Entity and other non-HUD users, who may continue to use paper-based environmental review formats.

*Respondents:* The respondents are State, local, and Tribal governments receiving HUD funding who are required to complete environmental reviews as well as sub-recipients, applicants, and third-party providers who submit information to be used in the completion of environmental review records.

*Estimated Number of Respondents:* 500.

*Estimated Number of Responses:* 25 per year per unit of government or organization.

*Frequency of Response:* 58.44.

*Average Hours per Response:* varies.

*Total Estimated Burdens:* 36,662.

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
Exempt/CENST reviews .....	500	34.75	17,376	0.75	13,032	\$39.63	\$205,312.50
Reviews that convert to exempt .....	500	12.35	6,147	2	12,294	39.63	292,000.00
CEST/EA reviews .....	250	11.34t	2,834	4	11,336	39.63	102,200.00
Total .....	500	58.44	26,357	varies	36,662	39.63	1,452,915.06

**Note:** Average hours per response varies substantially depending on level of review. Reviews that are exempt or Categorically Excluded Not Subject To the related laws and authorities (CENST) take roughly 45 minutes to complete. Reviews that are Categorically

Excluded Subject To the related laws (CEST) or require an Environmental Assessment (EA) take an average of 4 hours to complete. Some CEST reviews “convert to exempt,” and require roughly 2 hours to complete.

HUD grants cover all eligible costs including staff work. Hourly cost per response based on hourly mean wage of urban planners working for local government (Bureau of Labor Statistics, <https://www.bls.gov/oes/current/oes193051.htm>).

## B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

## C. Authority

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35.

### Exhibitors Sought for Innovative Housing Showcase 2024

**AGENCY:** Office of the Assistant Secretary for Policy Development and Research, Department of Housing and Urban Development (HUD).

**ACTION:** Notice.

**SUMMARY:** HUD, in collaboration with other organizations, will present the Innovative Housing Showcase in June 2024 on the National Mall in Washington, DC. The Innovative Housing Showcase (Showcase) is a public event to raise awareness of innovative housing designs and technologies that have the potential to increase housing supply, lower the cost of construction, and/or reduce housing expenses for owners and renters. HUD is especially interested in innovative housing designs and technologies that, in addition to reducing costs and expenses for builders, owners and

renters, can expand quality, affordable, accessible and healthy housing options for low- and moderate-income households; support aging in place; improve climate mitigation and resilience and disaster recovery; and/or increase energy efficiency and support decarbonization in the housing sector. HUD is seeking exhibitors to showcase innovations, and this notice solicits proposals for the Innovative Housing Showcase, with a preference for full-scale housing models and technology demonstrations that the public can tour and interact with.

**DATES:** All proposals must be received no later than March 29, 2024. Proposals will be accepted and reviewed on a rolling basis until March 29, 2024, or until HUD reaches capacity for exhibitor space on the National Mall, whichever comes sooner. HUD encourages early submission of proposals.

**ADDRESSES:** Proposals must be in writing and submitted via email to [housingshowcase@hud.gov](mailto:housingshowcase@hud.gov). Individuals who do not have internet access may submit proposals to the Office of Policy Development and Research, Affordable Housing Research and Technology, U.S. Department of Housing and Urban Development, 451 7th Street SW, Room 8134, Washington, DC 20410.

**FOR FURTHER INFORMATION CONTACT:** Michael Blanford, Research Engineer, U.S. Department of Housing and Urban Development, Office of Policy Development and Research, 451 7th St. SW, Washington, DC 20410, telephone number 202-402-5728 (this is not a toll-free number). HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech and communication disabilities. To learn more about how to make an accessible telephone call, please visit: <https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>. Individuals with questions may also email [housingshowcase@hud.gov](mailto:housingshowcase@hud.gov) and in the subject line write "2024 Showcase Questions."

### SUPPLEMENTARY INFORMATION:

#### I. Background

This year will be the fourth time HUD has hosted the Showcase on the National Mall, having done so in 2019, 2022, and 2023. Prior Showcases were attended by several thousand members of the public, as well as housing practitioners and government leaders, and received coverage in both popular media and trade press. Given HUD's mission to create "quality, affordable homes for all," this event offers a unique opportunity to highlight

innovative housing designs and technologies that can improve quality and deepen affordability for leaders in the housing sector, from policymakers and planners to funders, architects, and builders.

The National Mall is a landscaped park that is always open to the public, which brings certain expectations when presenting housing innovations on a large scale. Exhibitors are responsible for complying with all National Park Service (NPS) rules and regulations as identified in the NPS Event Planning Guide (<https://www.nps.gov/nama/learn/management/event-planning-guide.htm>). As the National Mall is part of the National Park System, there is no review or permit required to meet building codes within the District of Columbia (DC); however, the NPS may require a review by the NPS Lift Safety and Compliance office.

Approach to the National Mall involves DC streets or interstate highways, local and federal restrictions pertaining to weight, and compliance with width of load and height restrictions. There are two primary DC routes approaching the National Mall that can accommodate 13'6" clearance. The Showcase Management team will advance the arrival and departure routes as well as the set-up and tear-down schedule to each exhibitor.

#### II. Showcase Information and Exhibit Requirements

Showcase management is overseen by HUD and HUD-designated entities responsible for Showcase planning and event logistics. The Innovative Housing Showcase host exhibits in three primary categories:

- Tabletop Displays—these displays are typically housed in an individual tent or space within a larger tent.
- On-Ground Exhibit—these displays may showcase a particular technology or method of construction within the given footprint that is too large for a tabletop and cannot be entered.
- Enterable Exhibit—these displays may involve a structure that showcases a technology or method of construction that can be entered by the public present at the showcase site.

Each exhibit shall be positioned and equipped to allow persons who have mobility restrictions to approach the threshold of an enterable exhibit. The Showcase Management team will provide a list of contractors that are prepared to provide ADA compliant ramps for Enterable exhibits.

The Showcase Management team will review the public-facing branding of each exhibit and can provide advice and
