### Rescission of Administrative Review, In Part

As noted in the *Preliminary Results*,<sup>6</sup> based on our analysis of U.S. Customs and Border Protection (CBP) data, we determine that two companies, Hyundai Group and POSCO C&C Co., Ltd. had no reviewable shipments, sales, or entries of subject merchandise during the POR. We received no comments or additional information from any interested parties regarding these two companies. Therefore, absent evidence of shipments on the record, we are rescinding the administrative review of these companies, pursuant to 19 CFR 351.213(d)(3).

### Changes Since the Preliminary Results

Based comments received from interested parties, we made certain changes to Hyundai Steel's and POSCO's countervailable subsidy rate calculations from the *Preliminary Results*.<sup>7</sup>

### Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>8</sup> For a full description of the methodologies underlying all of Commerce's conclusions, see the Issues and Decision Memorandum.

### Final Results of Administrative Review

We determine that, for the period January 1, 2021, through December 31, 2021, the following total net countervailable subsidy rates exist:

<sup>6</sup> *Id.*, 88 FR at 88137.

<sup>7</sup> For a full description of these revisions, see the Issues and Decision Memorandum.

<sup>8</sup> See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

Producer/exporter	Subsidy rate (percent <i>ad valorem</i> )
Hyundai Steel Company <sup>9</sup> ....	0.76
POSCO/POSCO International Corporation <sup>10</sup> .....	0.86

**Disclosure**

Commerce intends to disclose the calculations performed for these final results of review within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

**Assessment Rates**

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and CBP shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review, for the above-listed companies at the applicable *ad valorem* assessment rates listed. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

**Cash Deposit Rates**

In accordance with section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies listed above on shipments of the subject merchandise entered, or withdrawn from warehouse for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the all-others rate or most recent company-specific rate applicable to the company, as appropriate. These cash deposits,

when imposed, shall remain in effect until further notice.

**Administrative Protective Order**

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.
