Abstract of Proposed Collection

On October 8, 2021, President Biden signed the “Helping American Victims Affected by Neurological Attacks” (HAVANA) Act of 2021 (*Pub. L. 117-46*). In this statute, Congress authorized federal agencies to make payments to

affected current employees, former employees, and their dependents for qualifying injuries to the brain. Methodology

An individual wishing to make a claim under the HAVANA Act will fill out the “Patient Demographics” portion of the AID 442-1, and provide it to a U.S. board-certified physician (currently certified by the American Board of Psychiatry and Neurology (ABPN) or the American Board of Physical Medicine and Rehabilitation (ABPMR)), who will complete the form after examining the individual and reviewing their records and will fax or email the completed form to USAID.
