SUPPLEMENTARY INFORMATION:

Title: Refunds and Credits; Periods of Limitations; Financial Disability.

OMB Number: 1545-1649.

Revenue Procedure: Revenue Procedure 99-21.

Abstract: Generally, under section 6511(a), a taxpayer must file a claim for credit or refund of tax within three years after the date of filing a tax return or within two years after the date of payment of the tax, whichever period expires later. Under section 6511(h), the statute of limitations on claims for credit or refund is suspended for any period of an individual taxpayer's life during which the taxpayer is unable to manage his or her financial affairs because of a medically determinable mental or physical impairment, if the impairment can be expected to result in death, or has lasted (or can be expected

to last) for a continuous period of not less than 12 months.

Current Actions: There is no change in the paperwork burden previously approved by OMB. The revenue procedure is being submitted for renewal purposes only.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals or households.

Estimated Number of Respondents: 48,200.

Estimated Time per Response: 30 minutes.

Estimated Total Annual Burden Hours: 24,100.

The following paragraph applies to all the collections of information covered by this notice.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained if their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: February 29, 2024.

Sara L. Covington,

IRS Tax Analyst.
