Federal Energy Regulatory Commission

[Docket No. CP15–521–001]

Gulf LNG Liquefaction Company, LLC; Notice of Request for Extension of Time

Take notice that on February 22, 2024, Gulf LNG Liquefaction Company, LLC (GLLC); Gulf LNG Energy, LLC (GLE); and Gulf LNG Pipeline, LLC (collectively, the Applicants) requested that the Federal Energy Regulatory Commission (Commission) grant an extension of time, until July 16, 2029, to construct and place into service its Export Terminal Facilities Project (Project) located in Jackson County, Mississippi as authorized in the Order Granting Authorization under section 3 of the Natural Gas Act (Order).¹ The Order required the Applicants to complete construction of the Project and make it available for service within five years of the date of the Order, or by July 16, 2024.

The Applicants state that global events, including the COVID–19 pandemic, made construction of large-scale infrastructure projects and execution of international commercial agreements challenging. In addition, GLE asserts that it has been in complex litigation with its existing import customers over the scope and status of their terminal use agreements, which has hampered GLLC's ability to execute off-take contracts.

GLLC states that it has been actively progressing the Project and obtained nearly all required Federal, State, and local authorizations and permits related to the construction and operation of the Project. GLLC asserts that these authorizations and permits have been maintained, remain valid, and remain in full force and effect. GLLC states that the remaining required permits may be obtained once consultations with the respective agencies are renewed.

This notice establishes a 15-calendar day intervention and comment period deadline. Any person wishing to comment on the Applicants' request for an extension of time may do so. No reply comments or answers will be considered. If you wish to obtain legal status by becoming a party to the proceedings for this request, you should, on or before the comment date stated below, file a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and
