Program Description

Background

The Indian Health Service (IHS) is responsible for providing federal health services to the American Indian and Alaska Native (AI/AN) people. Our mission is to raise the physical, mental, social, and spiritual health of American Indians and Alaska Natives to the highest level.

The Indian Healthcare Improvement Act (*https://www.ihs.gov/IHCIA/*) authorizes the IHS to administer programs designed to attract and recruit qualified Indians into health professions to ensure the availability of health

professionals to serve the AI/AN population.

Purpose

Our purpose is to increase the number of Indian clinical psychologists who deliver health care services to AI/AN communities. Our primary objectives are to:

1. Recruit and train Indian people to be clinical psychologists;

2. Provide stipends to people enrolled in schools of clinical psychology to pay tuition, books, fees, and stipends for living expenses.

Required Activities

1. You must develop and maintain psychology education programs and recruit people to become clinical psychologists who will provide services to AI/AN people.

2. You must provide scholarship grants to AI/AN students enrolled in clinical psychology education programs.

3. Scholarship awards are for a one-year period.

4. You may award additional stipend support to each eligible student for up to four years.

See the project narrative and merit review sections for more detail on activities.

Cooperative Agreement Terms

Cooperative agreements use the same policies as grants. The difference is that the IHS will have substantial involvement in the project during the entire period of performance. Below is a detailed description of our level of involvement.

The IHS program official will:

• Work closely with your program director to ensure timely management and that you meet all goals and objectives of your proposed project.

• Provide American Indians into Psychology scholarship materials and policies for student program reviews.

• Initiate default proceedings within 90 days after receiving your notification that a student:

1. has been dismissed from the program;

2. has withdrawn from school;

3. failed to graduate with a Psy.D. in Clinical Psychology;

4. failed to begin a required period of supervised clinical hours required for state licensure;

5. failed to meet the minimum required number of supervised clinical hours prior to licensure;

6. failed to get licensed and begin obligated service time within 90 days; or

7. failed to complete the service.

• Receive your required semi-annual progress reports and review them for program compliance.

• Provide you with programmatic technical assistance, as requested.

• Coordinate and conduct site visits and periodic conference calls with you and students as time and budget permit.

• Work in partnership with the Division of Grants Management.

Funding Policies and Limitations

Limitations

• We allow pre-award costs up to 90 days before the start date of the award if the costs are otherwise allowable if awarded. You incur pre-award costs at your organization's risk.

Policies

• Total award funds include both direct and indirect costs.

• Each applicant can receive only one award.

• You may include, as a direct cost, tuition and student support for students selected to receive a scholarship under your program. Scholarship support is full-time tuition, fees, books, and other expenses. This includes uniforms and monthly stipends for living expenses for 12 months. The current stipend is to be $1,500 per month.

Indirect Costs

Indirect costs are those incurred for a common or joint purpose across more than one project and that cannot be easily separated by project. Learn more at 45 CFR 75.414 (*https://www.ecfr.gov/current/title-45/subtitle-A/subchapter-A/part-75/subpart-E/subject-group-ECFR1eff2936a9211f7/section-75.414*), Indirect Costs.

Indirect costs for training awards cannot exceed 8 percent of modified total direct costs. To understand what is included in modified total direct costs, see 45 CFR 75.2 (*https://www.ecfr.gov/current/title-45/subtitle-A/subchapter-A/part-75#p-75.2(Modified%20Total%20Direct%20Cost)*).

Statutory Authority

The Snyder Act, 25 U.S.C. 13; the Transfer Act, 42 U.S.C. 2001(a); and section 217 of the Indian Health Care Improvement Act, Public Law 94–437, as amended (IHCIA), codified at 25 U.S.C. 1621p (*https://www.govinfo.gov/content/pkg/USCODE-2022-title25/html/USCODE-2022-title25-chap18-subchapII-sec1621p.htm*).

II. Step 2: Get Ready To Apply

Get Registered

System for Award Management

You must have an active account with *SAM.gov*. This includes having a Unique Entity Identifier. *SAM.gov* registration can take several weeks. Begin that process today. To register, go to *SAM.gov* Entity Registration (*https://sam.gov/content/entity-registration*) and click Get Started. From the same page, you can also click on the Entity Registration Checklist for the information you will need to register.

Grants.gov

You must also have an active account with *Grants.gov* (*https://grants.gov/home*). You can see step-by step instructions at the *Grants.gov* Quick Start Guide for Applicants (*https://www.grants.gov/quick-start-guide/applicants*).

Find the Application Package

The application package has all the forms you need to apply. You can find it online. Go to Grants Search at *Grants.gov* (*https://grants.gov/home*) and search for opportunity number HHS–2024–IHS–INPSY–0001.

III. Step 3: Write Your Application

Application Contents and Format

Applications include five main components. This section includes guidance on each. Make sure you include each of these:

Component	Submission form
Project Abstract	Use the Project Abstract Summary form.
Project Narrative ...	Use the Project Narrative Attachment form.
Budget Narrative ..	Use the Budget Narrative Attachment form.
Attachments	Insert each in a single Other Attachments form.
Required Forms	Upload using each required form.

Project Abstract

Page limit: 1 page.
Provide a self-contained summary of your proposed project, including the purpose and expected outcomes. Do not include any proprietary or confidential

information. We use this information when we receive public information requests about funded projects.

Required format for Project and Budget Narrative:

Font size: 12-point font. Footnotes, tables, and text in graphics may be 10-point.

Font color: black.
Spacing: Single-spaced.
Margins: 1-inch.
Size: 8.5 by 11 inches.
Include consecutive page numbers.
Formats: While the forms for project and budget narratives are PDF, you may upload Word, Excel, or PDF files to those forms.

Project Narrative

Page limit: 25 pages.
Filename: Project narrative.
To create your project narrative:
• Follow the headings in the table below in order.
• Use the merit review criteria to determine what you need to include.
• Describe your proposed project and activities for the full period of performance.
• Stay within the page limit, or we will remove pages beyond that. We recommend some page limits for subsections below, but they are guidance only.

Heading	Recommended page length
Introduction and need for assistance	5
Project objectives, work plan, and approach	10
Program evaluation	5
Organization capabilities, key personnel, and qualifications	5

Budget Narrative

Page limit: 5.
Filename: Budget narrative.
The budget narrative supports the information you provide in Standard Form 424–A. See standard forms.

For more guidance on what to include in your budget narrative, see merit review criteria.

It includes added detail and justifies the costs you ask for. As you develop your budget, consider:

• If the costs are reasonable and consistent with your project's purpose and activities.

• The restrictions on spending funds. See funding limitations.

To create your budget narrative:

• Review the requirements in the merit review section for more detail.

• Show each line item in your SF–424A, organized by budget category.

• Provide the information for the entire period of performance, broken down by year.

- For each line item, describe:
1. How the costs support achieving the project's proposed objectives.
2. How you calculated or arrived at the cost.
- Take care to explain each item in the ''other'' category and why you need it.
- Do not use the budget narrative to expand your project narrative.

If you like, you can also include a spreadsheet that provides more detail than in the SF–424A. If you do, we will not count it against the page limit.

Attachments

You will upload attachments in *Grants.gov* using a single Other Attachments Form. Unless stated below, these attachments do not have page limits.

Proof of Accreditation

Submit proof of program accreditation from an accreditation agency recognized by the U.S. Department of Education or the nonprofit Council for Higher Accreditation (CHEA) and American Psychology Association (APA) and the Commission of Accreditation (CoA).

Work Plan Chart

Attach a one-page work plan chart or timetable that summarizes the work plan in your project description, outlining your activities and outcomes. See merit review criteria for detailed instructions.

Proof of Nonprofit Status

If your organization is a nonprofit, you need to attach proof. We will accept any of the following:
- A copy of a current tax exemption certificate from the IRS.
- A letter from your state's tax department, attorney general, or another state official saying that your group is a nonprofit and that none of your net earnings go to private shareholders or others.
- A certified copy of your certificate of incorporation. This document must show that your group is a nonprofit.
- Any of the above for a parent organization. Also include a statement signed by an official of the parent group that your organization is a nonprofit affiliate.

Indirect Cost Agreement

If you include indirect costs in your budget using an approved rate, include a copy of your current agreement approved by your cognizant agency for indirect costs (*https://www.ecfr.gov/*

current/title-45/subtitle-A/subchapter-A/part-75#p-75.2(Cognizant%20agency %20for%20indirect%20costs). If you use the de minimis rate, you do not need to submit this attachment.

Resumes and Position Descriptions

For key personnel, attach biographical sketches for filled positions. If a position is not filled, attach a short description of the position and qualifications. See additional instructions in merit review criteria.

Audit Documentation

You must provide documentation of required audits. You can submit:
- Email confirmation from the Federal Audit Clearinghouse (FAC) showing that you submitted the audits.
- Face sheets from audit reports. You can find these on the FAC website (*https://www.fac.gov/*).

See audit requirements at 45 CFR part 75 subpart F (*https://www.ecfr.gov/ current/title-45/subtitle-A/subchapter-A/part-75/subpart-F*).

Standard Forms

You will need to complete some standard forms. Upload the standard forms listed below at *Grants.gov*. You can find them in the NOFO application package or review them and their instructions at *Grants.gov* Forms.

Forms	Submission requirement
Application for Federal Assistance (SF–424).	With application.
Budget Information for Non-Construction Programs (SF–424A).	With application.
Grants.gov Lobbying Form	With application.
Disclosure of Lobbying Activities (SF–LLL).	If applicable, with the application.

Risk Review

Before making an award, we review the risk that you will not prudently manage federal funds. We need to make sure you've handled any past federal awards well and demonstrated sound business practices. We use *SAM.gov* Responsibility/Qualification (*https://sam.gov/content/entity-information*) to check this history for all awards likely to be over $250K. You can comment on your organization's information in *SAM.gov*. We will consider your comments before making a decision about your level of risk. If we find a significant risk, we may choose not to fund your application or to place specific conditions on the award.

For more details, see 45 CFR 75.205 (*https://www.ecfr.gov/current/title-45/subtitle-A/subchapter-A/part-75/subpart-C/section-75.205*).

Selection Process

When making funding decisions, we consider:

• Merit review results. These are key in making decisions but are not the only factor.

• The larger portfolio of agency-funded projects, including the diversity of project types and geographic distribution.

• The past performance of the applicant. We may choose not to fund applicants with management or financial problems.

We may:

• Fund applications in whole or in part.

• Fund applications at a lower amount than requested.

• Decide not to allow a prime recipient to subaward if they may not be able to monitor and manage subrecipients properly.

• Choose to fund no applications under this NOFO.

Award Notices

After we review and select applications for award, we will let you know the outcome.

Unsuccessful Applications

We will email you or write you a letter if your application is disqualified or unsuccessful.

Approved but Unfunded Applications

It is possible that we could approve your application, but do not have enough funds to reach it. If so, we will hold your application for one year. If funding becomes available during the year, we may reconsider funding.

Approved Applications

If you are successful, we will create a Notice of Award (NoA). You will need a GrantSolutions user account (*https:// www.grantsolutions.gov/home/getting-started-request-a-user-account/*) to retrieve your NoA.

The NoA is the only official award document. The NoA tells you about the amount of the award, important dates, and the terms and conditions you need to follow. Until you receive the NoA, you do not have permission to start work.

V. Step 5: Submit Your Application

Application Submission and Deadlines

See find the application package to make sure you have everything you need.

Make sure you are current with *SAM.gov* and UEI requirements. See get registered (*https://sam.gov/content/ entity-registration*). You will have to maintain your registration throughout the life of any award.

Application Deadline

You must submit your application by May 14, 2024, at 11:59 p.m. ET.

Grants.gov creates a date and time record when it receives the application. If you submit the same application more than once, we will accept the last on-time submission.

The grants management officer may extend an application due date based on emergency situations such as documented natural disasters or a verifiable widespread disruption of electric or mail service.

Application Submission

You must submit your application through *Grants.gov*. See get registered (*https://sam.gov/content/entity-registration*).

For instructions on how to submit in *Grants.gov*, see the Quick Start Guide for Applicants (*https://www.grants.gov/ quick-start-guide/applicants*). Make sure that your application passes the *Grants.gov* validation checks or we may not get it. Do not encrypt, zip, or password protect any files. The link above will also help you learn how to create PDFs. See contacts & support if you need help.

Exemptions

If you cannot submit through *Grants.gov*, you must request a waiver before the application due date. Send your waiver request to *DGM@ihs.gov.* Include clear justification for the need to deviate from the required application submission process. Failure to register in *SAM.gov* or *Grants.gov* in a timely way is not cause for a waiver. We will not accept applications outside of *Grants.gov* without an approved waiver.

We will email you if we approve your waiver. This notification will include submission instructions. If approved, we must receive your application by 5:00 p.m. ET on the application deadline.

Other Submissions

Intergovernmental Review

This NOFO is not subject to executive order 12372, Intergovernmental Review of Federal Programs. No action is needed.

Mandatory Disclosure

You must submit any information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. See Mandatory Disclosures, 45 CFR 75.113 (*https:// www.ecfr.gov/current/title-45/subtitle-A/subchapter-A/part-75/subpart-B/ section-75.113*).

Send written disclosures to IHS at *DGM@ihs.gov* and to the Office of Inspector General at *grantdisclosures@ oig.hhs.gov.* Include ''Mandatory Grant Disclosures'' in subject line.
