

(I) I understand that {IMPORTING COMPANY} is required to submit a copy of the importer certification as part of the entry summary by uploading it into the document imaging system (DIS) in ACE, and to provide U.S. Customs and Border Protection (CBP) and/or the U.S. Department of Commerce (Commerce) with the importer certification, and any supporting documentation, upon request of either agency.

(J) I understand that the claims made herein, and the substantiating documentation, are subject to verification by CBP and/or Commerce.

(K) I understand that failure to maintain the required certifications, and/or failure to substantiate the claims made herein, and/or failure to allow CBP and/or Commerce to verify the claims made herein, may result in a *de facto* determination that all entries to which this certification applies are within the scope of the antidumping/countervailing duty orders on steel threaded rod from China. I understand that such finding will result in:

- (i) suspension of liquidation of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met;
 - (ii) the requirement that the importer post applicable antidumping duty and/or countervailing duty cash deposits (as appropriate) equal to the rates determined by Commerce; and
 - (iii) the importer no longer being allowed to participate in the certification process.
- (L) I understand that agents of the importer, such as brokers, are not permitted

to make this certification. Where a broker or other party was used to facilitate the entry process, {NAME OF IMPORTING COMPANY} obtained the entry summary number and date of entry summary from that party.

(M) This certification was completed at or prior to the date of entry summary or within 45 days of the date on which Commerce published notice of its preliminary circumvention findings in the **Federal Register**.

(N) I am aware that U.S. law (including, but not limited to, 18 U.S.C. 1001) imposes criminal sanctions on individuals who knowingly and willfully make material false statements to the U.S. government.
