

CONTESTING RECORD PROCEDURES:

Any individual may submit a request to the System Manager and request a copy of any records relating to them. In accordance with 10 CFR 1008.11, any individual may appeal the denial of a request made by him or her for information about or for access to or correction or amendment of records. An appeal shall be filed within 90 calendar days after receipt of the denial. When an appeal is filed by mail, the postmark is conclusive as to timeliness. The appeal shall be in writing and must be signed by the individual. The words "PRIVACY ACT APPEAL" should appear in capital letters on the envelope and the letter. Appeals relating to DOE records shall be directed to the Director, Office of Hearings and Appeals (OHA), 1000 Independence Avenue SW, Washington, DC 20585.

NOTIFICATION PROCEDURES:

In accordance with the DOE regulation implementing the Privacy Act, 10 CFR part 1008, a request by an individual to determine if a System of Records contains information about themselves should be directed to the U.S. Department of Energy, Headquarters, Privacy Act Officer. The request should include the requester's complete name and the time period for which records are sought.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

None.

BILLING CODE 6450–01–P

DEPARTMENT OF ENERGY**Agency Information Collection Extension**

AGENCY: U.S. Department of Energy.

ACTION: Notice of request for comments.

SUMMARY: The Department of Energy (DOE) invites public comment on a proposed collection of information that DOE is developing for submission to the Office of Management and Budget (OMB) pursuant to the Paperwork Reduction Act of 1995.

DATES: Comments regarding this proposed information collection must be received on or before April 15, 2024. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at 202–881–8585.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Mr. Chris Early, U.S. Department of Energy, Building Technologies Program, Mail Stop EE–5B, Forrestal Building, 1000 Independence Avenue SW, Washington, DC 20585–0121, or by email at Chris.Early@ee.doe.gov or by calling 240–354–1304.

SUPPLEMENTARY INFORMATION: This information collection request contains: (1) *OMB No.:* 1910–5184; (2) *Information Collection Request Titled:* Programs for Improving Energy Efficiency in Buildings; (3) *Type of Review:* extension; (4) *Purpose:* The proposed collection will enable DOE to understand the universe of organizations participating in building load management programs, including the following four voluntary programs: the Home Performance with ENERGY STAR Program, the Home Energy Score Program, the Better Buildings

Residential Network, and the Zero Energy Ready Home Program. DOE encourages and assists the people and organizations that voluntarily participate in energy efficiency programs to build or renovate buildings for the purposes of improved efficiency, reliability, and affordability. The partners who voluntarily participate in the programs include: home builders, building trades and building-related associations, home design professionals, home energy raters and auditors, home inspectors, building consultants, manufacturers of building products, retailers, utility companies, financial institutions, non-profit organizations, educational institutions, energy program administrators and implementers, Home Performance with ENERGY STAR sponsors, state or local government energy offices or agencies, and other organizations that believe peer sharing will help them improve their effectiveness in encouraging effective energy upgrades. DOE proposes to continue to collect information such as names of program participants and names of organizations and addresses; estimates of how many homes they can get to participate in the programs; information about building stock (no building owner information is collected), and load management strategies. The collected information helps DOE understand the participating partners' activities and progress toward achieving scheduled milestones enabling DOE to make decisions about the best way to respond to partners' needs to improve their operations and actions to lower energy consumption and improve affordability. DOE published a notice and request for comments related to this current request for OMB clearance to collect information on April 20, 2023 (88 FR 24395) and received no comments; (5) *Annual Estimated Number of Respondents:* 969; (6) *Annual Estimated Number of Total Responses:* 45,170; (7) *Annual Estimated Number of Burden Hours:* 19,397; (8) *Annual Estimated Reporting and Recordkeeping Cost Burden:* zero.

Statutory Authority: The U.S. Code, title 42, chapter 149, subchapter IX, part A, section 16191—Energy Efficiency.
