NATIONAL SCIENCE FOUNDATION

Agency Information Collection Activities: Comment Request; Computer Science for All—Evaluation and Systematic Review of Grantee Documents

AGENCY: National Science Foundation.

ACTION: Submission for OMB review; comment request.

SUMMARY: The National Science Foundation (NSF) has submitted the following information collection requirement to OMB for review and clearance under the Paperwork Reduction Act of 1995. This is the second notice for public comment; the first was published in the **Federal Register**, and no comments were received. NSF is forwarding the proposed submission to the Office of Management and Budget (OMB) for clearance simultaneously with the publication of this second notice.

DATES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Suzanne H. Plimpton, Reports Clearance Officer, National Science Foundation, 2415 Eisenhower Avenue, Alexandria, Virginia 22314; telephone (703) 292–7556; or send email to splimpto@nsf.gov. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–

8339, which is accessible 24 hours a day, 7 days a week, 365 days a year (including Federal holidays).

SUPPLEMENTARY INFORMATION:

Comments: Comments regarding (a) whether the proposed collection of information is necessary for the proper performance of the functions of the NSF, including whether the information shall have practical utility; (b) the accuracy of the NSF’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, use, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to the points of contact in the **FOR FURTHER INFORMATION CONTACT** section.

Copies of the submission may be obtained by calling 703–292–7556. NSF may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number, and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Title of Collection: Computer Science for All—Evaluation and Systematic Review of Grantee Documents.

OMB Number: 3145–NEW.

Type of Request: Intent to seek approval to establish an information collection for post-award output and outcome monitoring system.

Abstract

Computer Science for All Researcher Practitioner Partnership (RPP) grantees are required to submit Annual Reports and Project Outcome reports to NSF that summarize the outputs, outcomes, and impact of their funded work. NSF is required by Congress to demonstrate the long-term outcomes for the CSforAll RPP initiative, defined as those that occur at least 5 years since grantees received funding, the first year where these long-term outcomes can be documented for the first CSforAll RPP cohort, funded in 2017, was 2023. This multi-year evaluation is focused on documenting the long-term outcomes for the first three cohorts of the initiative—2017, 2018, and 2019. There are a total of 73 funded grants from the three cohorts. To effectively extract and analyze the needed information to document long-term outcomes for these
