

Each SRSA-eligible LEA must provide its UEI on the SRSA application or notify the REAP team by emailing reap@ed.gov to explain why the LEA is unable to provide a UEI. An LEA must have a UEI with an active registration status in SAM to access its awarded SRSA grant funds. An LEA without a UEI may not receive an SRSA award until it has obtained and registered a UEI. Obtaining a UEI is free to LEAs and is available at www.SAM.gov. LEAs may find SAM's guide helpful in understanding the registration process, available at: <https://sam.gov/content/entity-registration>. For additional resources or technical support related to the UEI registration process please utilize the support features at www.fsd.gov.

III. Application and Submission Information

Note: Since FY 2020, the SRSA grant application is no longer housed on the Grants.gov platform. Please see below for the updated application process.

Electronic Submission of Applications Using Connect.gov

The Department will send an email with a unique application link on March 19, 2024, to each LEA that is eligible and estimated to receive a positive allocation for an FY 2024 SRSA grant award. The email will include detailed instructions for completing the electronic application.

An eligible LEA must submit an electronic application via Connect.gov by May 10, 2024, to be assured of receiving an FY 2024 SRSA grant award. The Department may consider applications submitted after the deadline to the extent practicable and contingent upon the availability of funding.

Please note the following:

- The application is estimated to take 30 minutes to complete. LEAs are encouraged not to wait until the application deadline date to begin the application process.
- Eligible LEAs will receive periodic emails during the application period with a reminder to complete the SRSA application prior to the May 10, 2024, deadline.
- An application received by Connect.gov is dated and time stamped upon submission, and an applicant will receive a confirmation email after the application is submitted.
- If any applicant information changes (*e.g.*, address or contact information for the LEA) after an application has been submitted via Connect.gov, the applicant must contact REAP staff directly by emailing reap@ed.gov to update such information.

Application Deadline Date Extension in Case of Technical Issues

If you are unable to submit an application by May 10, 2024, because of technical issues, contact REAP staff by emailing reap@ed.gov within 5 business days and provide an explanation of the technical problem you experienced. The late application will be accepted as having met the deadline if REAP program staff can confirm that a technical issue occurred with the Connect.gov system that affected your ability to submit the application by the deadline. As noted above, if you submit the application after the deadline and the late submission is not due to a technical issue about which you have notified REAP program staff, the Department may consider your application to the extent practicable and contingent upon the availability of funding.
