The forms are updated to reflect the name change of the Federal child support program office from the Office of Child Support Enforcement to the Office of Child Support Services.

SUPPLEMENTARY INFORMATION:

Description: The Administrative Subpoena is used by State child support agencies to obtain income and other financial information regarding noncustodial parents for purposes of establishing, enforcing, and modifying child support orders. The Notice of Lien imposes liens in cases with overdue support and allows a State child support agency to file liens across State lines, when it is more efficient than involving the other State's IV-D agency.

Section 452(a)(11) of the Social Security Act requires the Secretary of the Department of Health and Human Services to promulgate forms for administrative subpoenas and imposition of liens used by State child support agencies in interstate cases. Section 454(9)(E) of the Social Security Act requires each State to cooperate with any other State in using the Federal forms for issuance of administrative subpoenas and imposition of liens in interstate child support cases.

Respondents: State, local, or Tribal agencies administering a child support program under title IV-D of the Social Security Act.
