There is no change in the methodology or substance of this information collection. The decrease in the estimated annual burden (from 10,250 hours in 2021 to 8,960 hours currently) is due to the decline in the estimated number of limited scope entities covered by Part 371.

[DOCKET NO. 24–14]

AirBoss Defense Group, LLC, Complainant v. FedEx Trade Networks Transport & Brokerage, Inc.; Mediterranean Shipping Company S.A. and Mediterranean Shipping Company (USA) Inc., as Agent for Mediterranean Shipping Company S.A.; and Total Terminals International, LLC, Respondents

Served: March 20, 2024.

Notice of Filing of Complaint and Assignment

Notice is given that a complaint has been filed with the Federal Maritime Commission (the “Commission”) by AirBoss Defense Group, LLC (the “Complainant”) against FedEx Trade Networks Transport & Brokerage, Inc.; Mediterranean Shipping Company S.A. and Mediterranean Shipping Company (USA) Inc., as agent for Mediterranean Shipping Company S.A.; and Total Terminals International, LLC (the “Respondents”). Complainant states that the Commission has subject matter jurisdiction under the Shipping Act of 1984, as amended, 46 U.S.C. 40101 *et seq.*

Complainant is a limited liability company existing under the laws of the State of Delaware and, at all material times, was a purchaser of goods in international commerce.

Complainant identifies Respondent FedEx Trade Networks Transport & Brokerage, Inc. as a New York

corporation with a principal place of business in Memphis, Tennessee and as a non-vessel-operating common carrier.

Complainant identifies Respondent Mediterranean Shipping Company S.A. as a global container shipping company and ocean common carrier with its headquarters in Geneva, Switzerland that conducts business in the United States through Mediterranean Shipping Company (USA) Inc., whose office is in New York, New York.

Complainant identifies Respondent Total Terminals International, LLC as a corporation organized and existing under the laws of State of Delaware and was a marine terminal operator with a principal place of business in Long Beach, California.

Complainant alleges that Respondents violated 46 U.S.C. 41102(c); 41104(a)(14) and (15); 41104(d); 41104(f); and 46 CFR 545.4 and 545.5. Complainant alleges these violations arose from the continued assessment of demurrage, detention, chassis, and per diem charges (the “charges”), a failure to extend the free time, and other acts and omissions related to containers with goods that were subject to a United States Customs and Border Protection Withhold Release Order (the “containers”). Complainant also alleges that Respondent FedEx Trade Networks Transport & Brokerage, Inc. violated 46 U.S.C. 41104(a)(2) and (11) and 46 CFR 532.5. Complainant alleges these violations arose from the acceptance of cargo that did not have a tariff or bond, a demand for payment of charges without invoices, and other acts and omissions related to the containers.

An answer to the complaint must be filed with the Commission within 25 days after the date of service.

The full text of the complaint can be found in the Commission’s electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/24-14/>. This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding judge shall be issued by March 20, 2025, and the final decision of the Commission shall be issued by October 6, 2025.

B. Need and Uses

This clearance covers the information that offerors and contractors must submit to comply with the following Federal Acquisition Regulation (FAR) part 3 requirements:

- FAR 52.203–2, Certificate of Independent Price Determination. This provision requires offerors to include with their offer a certification that their prices have been arrived at independently, have not been or will

not be knowingly disclosed, and have not been submitted for the purpose of restricting competition. Prior to making an award, a contracting officer will ensure the offeror has provided the certification. An offer will not be considered for award where the certificate has been deleted or modified. Federal agencies will report to the Attorney General for investigation any deletions or modifications of the certificate and suspected false certificates.

- FAR 52.203–7, Anti-Kickback Procedures. This clause requires contractors to report in writing to the inspector general of the contracting agency, the head of the contracting agency if the agency does not have an inspector general, or the Attorney General possible violations of 41 U.S.C. chapter 87, Kickbacks. The clause also requires the contractor to notify the contracting officer when monies are withheld from sums owed a subcontractor under the prime contract, when the contracting officer has directed the prime contractor to do so to offset the amount of a kickback. The Federal agency will use the information reported by contractors to investigate suspected violations. The notification to the contracting officer of a withholding of payment to a subcontractor is used to help the contracting officer ensure the amount of a kickback is appropriately offset.

- FAR 52.203–13, Contractor Code of Business Ethics and Conduct. This clause requires contractors and subcontractors to report to the agency Office of the Inspector General when the contractor has credible evidence that a principal, employee, agent, or subcontractor has committed a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 U.S.C., or a violation of the Civil False Claims Act (31 U.S.C. 3729–3733). The Federal agency will use the information reported by contractors to investigate suspected violations.

- FAR 52.203–16, Preventing Personal Conflicts of Interest. This clause requires contractors and subcontractors to obtain and maintain from each employee a disclosure of interests that might be affected by the task to which the employee has been assigned under the contract. Contractors and subcontractors must report to the contracting officer any personal conflict of interest violation by an employee and the proposed corrective/follow-up actions to be taken. In exceptional circumstances, the contractor may request the head of the contracting activity approve a plan to mitigate a
