

environmental assessment and prediction. The SAB consists of approximately twenty members reflecting the full breadth of NOAA's areas of responsibility and assists NOAA in maintaining a complete and accurate understanding of scientific issues critical to the agency's missions.

DATES: Nominations should be sent to the web address specified below and must be received by May 9, 2024.

ADDRESSES: Applications should be submitted electronically to noaa.scienceadvisoryboard@noaa.gov.

FOR FURTHER INFORMATION CONTACT: Ms. Casey Stewart, Executive Director, Science Advisory Board, NOAA, Rm. 11360, 1315 East-West Highway, Silver Spring, Maryland 20910. (Phone: 240-653-8297, Email: casey.stewart@noaa.gov); or visit the NOAA SAB website at <http://www.sab.noaa.gov>.

SUPPLEMENTARY INFORMATION: The NOAA Science Advisory Board (SAB) was established by a Decision Memorandum dated September 25, 1997, and is the only Federal Advisory Committee with responsibility to advise the Under Secretary of Commerce for Oceans and Atmosphere on strategies for research, education, and application of science to operations and information services. SAB activities and advice provide necessary input to ensure that National Oceanic and Atmospheric Administration (NOAA) science programs are of the highest quality and provide optimal support to resource management. At this time, individuals are sought with expertise in artificial intelligence and machine learning; environmental remote sensing; social and behavioral sciences; storytelling. Individuals with expertise in other NOAA mission areas are also welcome to apply. NOAA is also interested in expanding the diversity of viewpoints represented on the SAB. The agency welcomes scientists in the listed areas of expertise and other relevant ones who come from diverse ethnic backgrounds and races, Native and Tribal communities, and gender as well as those who are differently abled.

Composition and Points of View: The Board will consist of approximately twenty members, including a Chair, designated by the Under Secretary in accordance with FACA requirements. Members will be appointed for three-year terms, renewable once, and serve at the discretion of the Under Secretary. Members will be appointed as special government employees (SGEs) and will be subject to the ethical standards applicable to SGEs. Members are reimbursed for actual and reasonable travel and per diem expenses incurred

in performing such duties but will not be reimbursed for their time. As a Federal Advisory Committee, the Board's membership is required to be balanced in terms of viewpoints represented and the functions to be performed as well as the interests of geographic regions of the country and the diverse sectors of U.S. society. The SAB meets in person three times each year, exclusive of teleconferences or subcommittee, task force, and working group meetings. Board members must be willing to serve as liaisons to SAB working groups and/or participate in periodic reviews of the NOAA Cooperative Institutes and overarching reviews of NOAA's research enterprise.

Nominations: Interested persons may nominate themselves or third parties.

Applications: An application is required to be considered for Board membership, regardless of whether a person is nominated by a third party or self-nominated. The application package must include: (1) the nominee's full name, title, institutional affiliation, and contact information, including mailing address; (2) the nominee's area(s) of expertise; (3) a short description of his/her qualifications relative to the kinds of advice being solicited by NOAA in this Notice; and (4) a current resume (maximum length four [4] pages).

Space Weather Advisory Group Meeting

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meeting.

SUMMARY: The Space Weather Advisory Group (SWAG) will meet for a half day on April 12, 2024.

DATES: The meeting is scheduled as follows: April 12, 2024 from 10 a.m.–2 p.m. eastern daylight saving time (EDT).

ADDRESSES: The public meeting will be a virtual event. For details on how to connect to the webinar or to submit comments, please visit <https://www.weather.gov/swag> or contact Amy

Macpherson, National Weather Service; telephone: 816-287-1344; email: amy.macpherson@noaa.gov.

FOR FURTHER INFORMATION CONTACT:

Amy Macpherson, National Weather Service, NOAA, 7220 NW 101st Terrace, Kansas City, MO 64153; 816-287-1344 or amy.macpherson@noaa.gov; or visit the SWAG website: <https://www.weather.gov/swag>.

SUPPLEMENTARY INFORMATION: Pursuant to the Promoting Research and Observations of Space Weather to Improve the Forecasting of Tomorrow (PROSWIFT) Act, 51 U.S.C. 60601 *et seq.*, the Administrator of NOAA and the National Science and Technology Council's Space Weather Operations, Research, and Mitigation (SWORM) Subcommittee established the SWAG on April 21, 2021. The SWAG is the only Federal Advisory SWAG that advises and informs the interest and work of the SWORM. The SWAG is to receive advice from the academic community, the commercial space weather sector, and nongovernmental space weather end users to carry out the responsibilities of the SWAG set forth in the PROSWIFT Act, 51 U.S.C. 60601 *et seq.*

The SWAG is directed to advise the SWORM on the following: facilitating advances in the space weather enterprise of the United States; improving the ability of the United States to prepare for, mitigate, respond to, and recover from space weather phenomena; enabling the coordination and facilitation of research to operations and operations to research, as described in 51 U.S.C 60604(d); and developing and implementing the integrated strategy under 51 U.S.C. 60601(c), including subsequent updates and reevaluations. The SWAG shall also conduct a comprehensive survey of the needs of users of space weather products to identify the space weather research, observations, forecasting, prediction, and modeling advances required to improve space weather products, as required by 51 U.S.C. 60601(d)(3).

Matters To Be Considered

The meeting will be open to the public. During the meeting, the SWAG will discuss the PROSWIFT Act, 51 U.S.C. 60601 *et seq.*, directed duties of the SWAG including the required 51 U.S.C. 60601(d)(3) user survey. The full agenda and meeting materials will be published on the SWAG website: <https://www.weather.gov/swag>.

Additional Information and Public Comments

The meeting will be held over one half day and will be conducted in a virtual manner (for meeting details see **ADDRESSES**). Please register for the meeting through the website: <https://www.weather.gov/swag>.

This event is accessible to individuals with disabilities. For all other special accommodation requests, please contact amy.macpherson@noaa.gov. This webinar is a NOAA public meeting and will be recorded and transcribed. If you have a public comment, you acknowledge you will be recorded and are aware you can opt out of the meeting. Participation in the meeting constitutes consent to the recording. Both the meeting minutes and presentations will be posted to the SWAG website <https://www.weather.gov/swag>. The agenda, speakers and times are subject to change. For updates, please check the SWAG website <https://www.weather.gov/swag>.

Public comments directed to the SWAG members and SWAG related topics are encouraged. For other written public comments, please email amy.macpherson@noaa.gov by March 22, 2024. Written comments received after this date will be distributed to the SWAG but may not be reviewed prior to the meeting date. As time allows, public comments will be read into the public record during the meeting. Advance comments will be collated and posted to the meeting website.

Dated: March 19, 2024.

DEPARTMENT OF EDUCATION

[Docket No.: ED-2023-SCC-0214]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Evaluation of Full-Service Community Schools

AGENCY: Institute of Education Sciences (IES), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing a new collection request (ICR).

DATES: Interested persons are invited to submit comments on or before April 24, 2024.

ADDRESSES: Written comments and recommendations for proposed information collection requests should be submitted within 30 days of publication of this notice. Click on this link www.reginfo.gov/public/do/PRAMain to access the site. Find this information collection request (ICR) by selecting “Department of Education” under “Currently Under Review,” then check the “Only Show ICR for Public Comment” checkbox. Reginfo.gov provides two links to view documents related to this information collection request. Information collection forms and instructions may be found by clicking on the “View Information Collection (IC) List” link. Supporting statements and other supporting documentation may be found by clicking on the “View Supporting Statement and Other Documents” link.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Erica Johnson, (202) 453-7381.

SUPPLEMENTARY INFORMATION: The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the

respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Evaluation of Full-Service Community Schools.

OMB Control Number: 1850-NEW.

Type of Review: New ICR.

Respondents/Affected Public: Private sector; State, local, and Tribal governments.

Total Estimated Number of Annual Responses: 566.

Total Estimated Number of Annual Burden Hours: 511.

Abstract: The Full-Service Community Schools program, funded through title IV of the Elementary and Secondary Education Act, seeks to improve student outcomes by leveraging partnerships to help schools provide coordinated and integrated wraparound services to students and families, particularly in high-poverty schools. This study will be the first implementation evaluation of the Full-Service Community Schools program.

This Information Collection Request (ICR) follows the related June 2023 ICR that OMB approved (1850-0981) to conduct an initial survey of FY 2022 Full-Service Community Schools grantees. This ICR seeks approval to conduct additional rounds of data collection focused on helping policymakers and the community schools field better understand how program implementation is playing out. Included in these data collection are a follow-up survey of the FY 2022 grantees, a baseline and interim survey of the newly-awarded FY 2023 grantees and their partner schools, and one round of administrative data from states and districts that oversee FY 2023 partner schools.

Dated: March 20, 2024.

Juliana Pearson,

PRA Coordinator, Strategic Collections and Clearance, Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.
