Request for Information for 2026 Department of Defense (DoD) State Policy Priorities Impacting Service Members and Their Families

AGENCY: Deputy Assistant Secretary of Defense for Military Community and Family Policy, DoD.

ACTION: Request for information.

SUMMARY: This request for information provides an opportunity for the public to submit issues that have an impact on Service members and their families where state governments are the primary agents for making positive change. Each year, DoD selects State Policy Priorities for states to consider that represent barriers resulting from the transience and uncertainty of military life, and the public submissions will be considered by DoD in setting those priorities. For example, DoD has asked states to consider remedies to improve school transitions for children in active duty military families to overcome problems with records transfer, class and course placement, qualifying for extra-curricular activities, and fulfilling graduation requirements.

DATES: Consideration will be given to all submissions received by April 25, 2024.

ADDRESSES: You may submit information in response to this request, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Department of Defense, Office of the Assistant to the Secretary of Defense for Privacy, Civil Liberties, and Transparency, Regulatory Directorate, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350–1700.
