SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-99826; File No. SR-MEMX-2024-10]

Self-Regulatory Organizations; MEMX LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Exchange’s Fee Schedule To Adopt a New Cross Asset Tier Rebate

March 21, 2024.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 14, 2024, MEMX LLC (“MEMX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to amend the Exchange’s fee schedule applicable to Members³ (the “Fee Schedule”) pursuant to Exchange Rules 15.1(a) and (c). The Exchange proposes

to implement the changes to the Fee Schedule pursuant to this proposal on March 1, 2024. The text of the proposed rule change is provided in Exhibit 5.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the Fee Schedule to adopt a new Cross Asset Tier, in which a qualifying Member will receive an enhanced rebate for executions of orders in securities priced at or above \$1.00 per share that add displayed liquidity to the Exchange (such orders, “Added Displayed Volume”), by achieving the corresponding required volume criteria for such tier on the Exchange’s equity options platform, MEMX Options, as further described below.⁴

The Exchange first notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive or incentives to be insufficient. More specifically, the Exchange is only one of 16 registered equities exchanges, as well as a number of alternative trading systems and other off-exchange venues, to which market participants may direct their order flow. Based on publicly available information, no single registered equities exchange currently has more than approximately 15% of the total market share of executed volume of equities trading.⁵ Thus, in such a low-concentrated and highly competitive market, no single equities exchange possesses significant pricing

⁴ The Exchange initially filed the proposed Fee Schedule changes on February 29, 2024 (SR-MEMX-2024-07). On March 14, 2024, the Exchange withdrew that filing and submitted this proposal.

⁵ Market share percentage calculated as of March 14, 2024. The Exchange receives and processes data made available through consolidated data feeds (*i.e.*, CTS and UTDF).
