BILLING CODE 9110-12-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-6443-N-01]

Section 8 Housing Assistance Payments Program—Annual Adjustment Factors, Fiscal Year 2024

AGENCY: Office of the Assistant Secretary for Policy Development and Research, Department of Housing and Urban Development, HUD.

ACTION: Notice of fiscal year (FY) 2024 Annual Adjustment Factors (AAFs).

SUMMARY: The United States Housing Act of 1937 requires that certain assistance contracts signed by owners participating in the Department's Section 8 housing assistance payment programs provide annual adjustments to monthly rentals for units covered by the contracts. For owners subject to a Reserve for Replacement deposit requirement, HUD also requires that the amount of the required deposit be adjusted each year by the AAF. This notice announces FY 2024 AAFs for adjustment of contract rents on the anniversary of those assistance contracts. The factors are based on a formula using residential rent and utility cost changes from the most recent annual Bureau of Labor Statistics (BLS) Consumer Price Index (CPI) survey and market rents from a total of six possible private sector rent data sources. AAFs were historically based on the shelter and gross rent inflation factors used in HUD's Fair Market Rent (FMR) calculation, and this notice maintains that practice by updating the AAF methodology in line with the FMR methodology changes that HUD adopted for FY 2024.

DATES: The FY 2024 AAFs are effective April 1, 2024.

FOR FURTHER INFORMATION CONTACT: Ryan Jones, Director, Management and Operations Division, Office of Housing Voucher Programs, Office of Public and Indian Housing, 202-708-1380, for questions relating to the Moderate Rehabilitation programs (not the Single

Room Occupancy program); Norman A. Suchar, Director, Office of Special Needs Assistance Programs, Office of Community Planning and Development, 202-402-5015, for questions regarding the Single Room Occupancy (SRO) Moderate Rehabilitation program; Katherine Nzive, Director, OAMPO Program Administration Office, Office of Multifamily Housing, 202-402-3440, for questions relating to all other Section 8 programs; and Adam Bibler, Director, Program Parameters and Research Division, Office of Policy Development and Research, 202-402-6057, for technical information regarding the development of the schedules for specific areas or the methods used for calculating the AAFs. The mailing address for these individuals is: Department of Housing and Urban Development, 451 7th Street SW, Washington, DC 20410. HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities. To learn more about how to make an accessible telephone call, please visit <https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>.

SUPPLEMENTARY INFORMATION: The AAFs are applied at the anniversary of Housing Assistance Payment (HAP) contracts for which rents are to be adjusted using the AAF for those calendar months commencing after the AAF effective date listed in this notice. The amount that an owner is required to deposit to the Reserve for Replacement account is also adjusted annually by the most recently published AAF, at the HAP contract anniversary. AAFs are distinct from, and do not apply to the same properties as, Operating Cost Adjustment Factors (OCAFs). OCAFs are annual factors used to adjust rents for project-based rental assistance contracts issued under Section 8 of the United States Housing Act of 1937 and renewed under section 515 or section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (MAHRA). HUD has published OCAFs for 2024 in the **Federal Register** at 87 FR 68513. The AAFs are also distinct from

Renewal Funding Inflation Factors which help determine renewal funding for public housing agencies operating the Housing Choice Voucher program. A separate **Federal Register** notice, to be published following the passage of FY 2024 HUD appropriations, will contain the 2024 Renewal Funding Inflation Factors.

Tables showing AAFs will be available electronically from the HUD data information page at <http://www.huduser.gov/portal/datasets/aaf.html>.

I. Applying AAFs to Various Section 8 Programs

AAFs established by this notice are used to adjust contract rents for units assisted in certain Section 8 housing assistance payment programs during the initial (*i.e.*, pre-renewal) term of the HAP contract. There are two categories of Section 8 programs that use the AAFs:

Category 1: The Section 8 New Construction, Substantial Rehabilitation, and Moderate Rehabilitation programs; and

Category 2: The Section 8 Loan Management Set-Aside (LMSA) and Property Disposition (PD) programs.

Each Section 8 program category uses the AAFs differently. The specific application of the AAFs is determined by the law, the HAP contract, and appropriate program regulations or requirements.

AAFs are not used in the following cases:

Renewal Rents. AAFs are not used to determine renewal rents after expiration of the original Section 8 HAP contract (either for projects where the Section 8 HAP contract is renewed under a restructuring plan adopted under 24 CFR part 401; or renewed without restructuring under 24 CFR part 402). In general, renewal rents are established in accordance with the statutory provision in MAHRA, as amended, under which the HAP is renewed. After renewal, annual rent adjustments will be provided in accordance with MAHRA.

Budget-based Rents. AAFs are not used for budget-based rent adjustments. For projects receiving Section 8 subsidies under the LMSA program (24 CFR part 886, subpart A) and for
