AGENCY: National Endowment for the Humanities; National Foundation on the Arts and the Humanities.

ACTION: Notice.

SUMMARY: The National Endowment for the Humanities (NEH) requests proposals from interested nonprofit organizations and institutions of higher education to partner with NEH as the designated state humanities council in Iowa. Specifically, NEH is interested in partnering with a nonprofit organization or institution of higher education that has the skills and capacity to plan and administer humanities subawards and programs and provide humanities resources that are accessible to the people of the State of Iowa.

DATES: All proposals must be received by July 31, 2024.

ADDRESSES: Submit proposals electronically, with the subject line, "Opportunity to Enter into a Partnership with the National Endowment for the Humanities as the Designated Humanities Council in the State of Iowa," by email at the following address: fedstatecfp@neh.gov.

FOR FURTHER INFORMATION CONTACT: Karen Kenton, Director, Office of Federal/State Partnership, 400 Seventh Street SW, Washington, DC 20024. Phone: 202.606.8254. Email: kkenton@neh.gov.

SUPPLEMENTARY INFORMATION:

I. Background

In accordance with the President's Executive Order on *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*, E.O. 13985 of Jan 20, 2021, NEH encourages all eligible organizations to apply who meet the listed qualifications and requirements in this notice, including those that serve, represent, or are led by underserved communities, such as Black, Latino,

Indigenous and Native American, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality and the organizations that support these individuals and groups.

NEH is an independent Federal agency in the executive branch. NEH's enabling legislation authorizes the agency to "establish and carry out a program of grants-in-aid in each of the several states"—the term "states" defined as including all states and jurisdictions of the U.S.—in order to advance the humanities. (20 U.S.C. 956(f)).

By statute, each year, NEH's designated humanities councils apply for a General Operating Support Grant using the following Notice of Funding Opportunity: State and Jurisdictional Humanities Councils General Operating Support Grants (*neh.gov*). Awards are subject to 2 CFR part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the General Terms and Conditions for General Support Grants to State Humanities Councils. These General Operating Support Grants are subject to a 1:1 cost-share requirement. (20 U.S.C. 956(f)).

The selected entity will be invited to apply for a fiscal year 2025 General Operating Support Grant for the State of Iowa.

NEH-funded humanities councils ensure access to humanities subawards, programs, and resources in every U.S. state and jurisdiction. Activities conducted by a designated state humanities council may include: (1) grantmaking, (2) developing and implementing council-led public humanities programs, (3) working with humanities scholars, experts, and/or practitioners, (4) partnering with other local, state, jurisdictional, and national organizations, (5) ensuring humanities resources remain accessible to the people of the council's state or jurisdiction, (6) fundraising to meet the required 1:1 match and support the sustainability of programs and operations, (7) actively participating with the network of other state and jurisdictional humanities councils—all in support of advancing the council's and NEH's mission.

Under section 3(a) of the National Foundation on the Arts and the Humanities Act of 1965, as amended, "The term 'humanities' includes, but is not limited to, the study of the

following: language, both modern and classical; linguistics; literature; history; jurisprudence; philosophy; archaeology; comparative religion; ethics; the history, criticism and theory of the arts; those aspects of the social sciences which have humanistic content and employ humanistic methods; and the study and application of the humanities to the human environment with particular attention to reflecting our diverse heritage, traditions, and history and to the relevance of the humanities to the current conditions of national life."

II. General Scope

Only nonprofit organizations and institutions of higher education are eligible to submit a proposal. Eligible entities must be incorporated to serve the State of Iowa. To be eligible, your organization must make substantive contributions to the success of the project and must not function solely as a fiscal agent for another entity. Individuals and other organizations, including foreign and for-profit entities, are ineligible.

The entity that is selected pursuant to this notice will be eligible to submit proposals for general operating support funding on an annual basis using the following Notice of Funding Opportunity: State and Jurisdictional Humanities Councils General Operating Support Grants (*neh.gov*).

III. Requested Response

NEH seeks to partner with one nonprofit organization or institution of higher education to establish a humanities council in the State of Iowa.

a. Proposal Submission

All submissions must be made in electronic format and submitted in accordance with the **ADDRESSES** section above.

Unless otherwise stipulated in specific instructions, attachments should conform to the following formatting requirements: (1) maximum 30 pages, exclusive of Appendices/Supplementary Materials, (2) paper size no larger than standard letter paper size (8½" x 11"), (3) at least one-inch margins on all sides for all pages, (4) a font size no smaller than 11-point, (5) single-spacing, (6) recommended fonts: Arial, Georgia, Helvetica, or Times New Roman, (7) any standard citation style is acceptable; citations are included in page counts.

All proposals are subject to the False Claims Amendments Act of 1986, 31 U.S.C. 3729 and 18 U.S.C. 287, as well as the False Statements Accountability Act of 1996, 18 U.S.C 1001. In accordance with Federal appropriations

law, an authorized representative of the selected proposer(s) may be required to provide certain certifications regarding Federal felony and Federal criminal tax convictions, unpaid Federal tax assessments, and delinquent Federal tax returns.

b. Proposal Narrative Guidance

The proposal must address each prompt below and should include information presented in a manner sufficient to allow each response to be reviewed against the evaluation criteria set forth in part "IV, d—Evaluation Criteria." Please use each heading as a title to organize each section of the proposal.

Executive Summary/Capability Statement (1 Page)

- Describe the nature and scope of the organization's humanities expertise; its capacity to steward Federal funds, serve as NEH's designated humanities council, and reach cultural entities and audiences throughout the State of Iowa; and its experience successfully conducting public humanities programming and grantmaking.

Proposal Narrative

1. The Significance of the Humanities in the Work of the Organization (1–2 Pages)

2. The Context and Work of the Organization (2–5 Pages)

- Defining the humanities:** How will the organization define the humanities to the public, particularly those audiences that may not be familiar with the humanities?

- *Evaluation:* Discuss how the organization will leverage data to inform humanities programming, grantmaking, and internal operations.

- *Advocacy:* NEH strictly prohibits grantees from using the Federal funds it provides for advocacy; humanities councils may not use NEH funds to promote a particular political, religious, or ideological point of view, and must avoid advocacy of a particular program of social or political action. Discuss how, if selected, the organization will actively ensure that NEH funding is not used for advocacy? How will the organization review programs funded by NEH to ensure that its programs and its subrecipients' programs do not engage in advocacy? How often will these reviews occur? If an allegation of improper political advocacy in an NEH-funded program were to be brought to your attention, please explain how you would investigate and resolve the matter.

- *Organizational management:*
 - How does the organization set budgetary priorities? How will the organization plan for and manage risks and liabilities? How does the organization guarantee transparency and accountability of its activities?

- NEH strongly encourages all humanities councils to pursue diversified funding streams to create stability and reduce risk. Discuss annual goals for fundraising and the organization's current fundraising strategy. Does the organization manage its own fundraising activities, or does it outsource its fundraising activities? Explain how the organization will raise the 1:1 match¹ required by NEH (please base the response on receiving an annual grant of \$999,777,² the FY2023 amount allocated to the State of Iowa).

¹ By law, the NEH cannot support more than 50 percent of the costs of a state humanities council's activities (20 U.S.C. 956 (f)). The balance of support may come from cash contributions to the council that are made from any source (including funds from other Federal agencies), program income the council has earned, the allowable costs that a subrecipient incurs in carrying out a council-funded project, and the value of in-kind contributions that are made by a third party. Please see General Terms and Conditions for General Support Grants to State Humanities Councils The National Endowment for the Humanities (*neh.gov*) for more information.

² This amount is not guaranteed. Allocations to the state and jurisdictional humanities councils are made on an annual basis and based on the amount budgeted to NEH from Congress.

allow scholars, interested organizations, and the public to present views and make recommendations regarding the organization's proposal. This meeting may be held virtually. The applicant must provide public access to, at minimum, a copy of the Executive Summary and the Work Plan. (Required by statute (20 U.S.C. 956(f))

6. Three Year Work Plan and Goals (3–5 Pages)

- The sequence in which these steps will occur, the amount of time they will take, and who will be responsible for each task.

IV. Evaluation and Selection Process

All proposals received before the end date set forth in the **DATES** section of this notice will be reviewed to determine whether they are submitted by an eligible organization (section II. General Scope), contain all required proposal information, and are responsive to this notice. Proposals determined to be ineligible, incomplete, and/or non-responsive based on the initial screening by Office of Grant Management and program staff will be eliminated from further review. Applicants will be notified by email if their proposal is deemed ineligible.

All proposals that are determined to be eligible, complete, and responsive will be fully reviewed in accordance with the review and selection process as set forth below.

a. Site Visit

Each proposal deemed eligible for a full review will receive a two-day on-site visit in September 2024 by one NEH staff member and one external reviewer (the site reviewers). The site reviewers will take into consideration the organization's mission, alignment with NEH priorities, expertise in humanities-based grantmaking and programming, statewide position and partnerships, and the quality of operations, financial health, and stability to determine the feasibility of the proposed plan to become NEH's designated partner. Key participants from the applicant organization will include the executive director, staff, board members, and the following constituent groups: grantees (if applicable), scholars/advisors, partners, and funders.

In conjunction with the site visit conducted by the NEH Program Office, the applicant organization will undergo a three-hour virtual site visit with two staff members from the Office of Grant Management (OGM). The OGM site visit aims to assess the applicant organization's capacity to effectively manage an NEH General Operating Support award and provide necessary tools and resources to strengthen oversight. During the site visit, OGM will communicate the NEH's expectations for State Humanities Councils and conduct an objective review to determine if the organization's policies, procedures, internal controls,

and financial systems comply with the requirements of 2 CFR part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the NEH General Terms and Conditions for General Support Grants to State Humanities Councils.

Applicant organizations will be expected to complete a Site Visit Questionnaire that assesses the organization's administrative procedures, financial systems, and internal controls and a Financial Assessment Questionnaire that assesses accounting systems, internal controls, and audit history. Additionally, the organization must have all written policies available. These materials must be submitted to OGM for review one week before the virtual site visit. Key participants from the applicant organization will include the Executive Director, Institutional Grant Administrator (equivalent), and finance staff, as needed.

b. Peer Review

Following the on-site visit, all proposals deemed eligible for a full review will be reviewed, along with the independent reviewer's site visit report, by a panel of at least three peer reviewers. Peer reviewers are experts in the field with relevant knowledge and expertise in the types of activities identified in the proposals. NEH instructs reviewers to evaluate proposals according to the Evaluation Criteria outlined below. Peer reviewers must comply with Federal ethics and conflicts of interest requirements. In addition to information included in your proposal, NEH and the peer reviewers may take into account feedback provided by internal or external site reviewers in the consideration of your proposal. NEH's Application Review Process | The National Endowment for the Humanities.

c. National Council on the Humanities Review

NEH staff comment on matters of fact or on significant issues that otherwise would be missing from peer reviews, then make recommendations to the National Council on the Humanities. The National Council meets at least thrice annually to advise the NEH Chair. The Chair considers the advice provided by the review process and, by law, makes all funding decisions.

d. Evaluation Criteria

1. The Significance of the Humanities in the Work the Organization

- In what ways are the organization's current programs, grants, and other activities significant or impactful for the advancement of the humanities in the State of Iowa?

2. The Context and Work of the Organization

- Does the organization have appropriate relationships with state/local government officials, cultural institutions, colleges and universities, academic and public humanists, and philanthropic organizations?
- Does the organization have an appropriate level of visibility throughout the state? Does the proposal adequately outline plans to communicate with the general public about the work of a humanities council (programs, grants, etc.)?
- Who are the identified audiences served, and how will they benefit from the outcomes of the partnership (humanities council) over the long term?
- Are appropriate partners in place to enhance the accessibility, reach, and quality of the proposed programs and/or grantmaking?

- Given that NEH requires humanities councils to actively engage humanities scholars and practitioners in program development, program implementation, and evaluation, does the proposal show that humanities scholars and practitioners are adequately involved in the organization's work?

3. Proposed Humanities Programs

- Does the applicant have a history of offering humanities grants and/or conducting humanities programming?
- Are the current and proposed humanities grants and programs reasonable and achievable?

4. The Quality of Operations

- Is there a strategic plan in place that is reasonable and achievable?
- Is the organizational structure sound? Are there sufficient human and financial resources to meet the goals and requirements for the work of a humanities council? Does the fundraising plan prioritize diversified funding streams? Is there a reasonable plan to meet the required 1:1 cost-share beyond the use of indirect costs?
- Does the level of involvement or engagement of the board follow best practices in board governance? Does the board have appropriate oversight of the organization's operations and finances?

5. Public Meetings

- Has the applicant held at least 1 public meeting?
- Does the proposal include a summary of the public recommendations and the organization's response to them?

6. The Work Plan and Feasibility of the Proposed Methods

- To what extent are the goals and objectives clearly identifiable and achievable?
- Is the timeline appropriate for the work plan and the proposed resources?
- Are the roles and duties of key personnel clear, and are the team members appropriately qualified for the proposed work?
- Do the key personnel and board members represent an appropriate mix of humanities, nonprofit, and community expertise? How strong is the experience of the staff and board in each of these areas?

V. Notification of Results

NEH will notify applicants of the NEH Chair's decision to enter into a partnership in December 2024. This notification is not an authorization to begin performance or incur related costs. No funding is awarded through this call for proposals. The selected partner will be invited to apply for a State and Jurisdictional Humanities Council General Operating Support Grant using the following Notice of Funding Opportunity: State and Jurisdictional Humanities Councils General Operating Support Grants.

NUCLEAR REGULATORY COMMISSION

[Docket Nos. 50-309 and 72-30; NRC-2024-0020]

Maine Yankee Atomic Power Company; Maine Yankee Atomic Power Station; Exemption

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice; issuance.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) has issued an exemption in response to the March 31, 2023, request from Maine Yankee Atomic Power Company (MYAPC or Maine Yankee), for the Maine Yankee

Atomic Power Station (MYAPS), located in Wiscasset, Maine. The exemption permits MYAPC to make withdrawals from a separate account within Maine Yankee's overall Nuclear Decommissioning Trust (NDT), on an annual basis, for spent nuclear fuel and Greater than Class C (GTCC) waste management and non-radiological site restoration without prior notification to the NRC.

DATES: The exemption was issued on February 29, 2024.

FOR FURTHER INFORMATION CONTACT: Tilda Liu, Office of Nuclear Material Safety and Safeguards, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001; telephone: 404-997-4730, email: Tilda.Liu@nrc.gov.

SUPPLEMENTARY INFORMATION: By letter dated March 31, 2023, (ADAMS Accession No. ML23113A005), the Maine Yankee Atomic Power Company (MYAPC or Maine Yankee) submitted a

request to the NRC for an exemption from sections 50.82(a)(8)(i)(A) and 50.75(h)(2) of title 10 of the *Code of Federal Regulations* (10 CFR) for the Maine Yankee Independent Spent Fuel Storage Installation (ISFSI).¹

Maine Yankee has established a separate (segregated) account within its over-arching Nuclear Decommissioning Trust (NDT), entitled "ISFSI Radiological Decom," that identifies the funds for radiological decommissioning of the ISFSI apart from the larger balance of funds in the NDT allocated for ongoing management of spent nuclear fuel and Greater than Class C (GTCC) waste and for non-radiological site restoration activities. Although 10 CFR 50.82 applies to the segregated account, it does not apply to the overall NDT.

The exemption from 10 CFR 50.82(a)(8)(i)(A) and 50.75(h)(2) allows MYAPC to make withdrawals from the segregated account, on an annual basis, for spent nuclear fuel and GTCC waste management and non-radiological site restoration without prior notification to the NRC. More specifically, with this exemption, MYAPC can annually transfer funds exceeding 110 percent of the inflation-adjusted Decommissioning Cost Estimate, described in 10 CFR 50.75, from the segregated account to its overarching NDT and use those funds for spent nuclear fuel and GTCC waste management and non-radiological site restoration.

Based on the review, the NRC determined that, pursuant to 10 CFR 50.12(a), the exemption is authorized by law, will not present an undue risk to the public health and safety, and is consistent with the common defense and security. Also, the NRC determined that special circumstances are present. Therefore, the NRC granted Maine Yankee an exemption from the requirements of 10 CFR 50.82(a)(8)(i)(A) and 10 CFR 50.75(h)(2) to permit MYAPC to make withdrawals from the segregated account, on an annual basis, for spent nuclear fuel and GTCC waste management and non-radiological site restoration without prior notification to the NRC. All other relevant

¹ The Maine Yankee ISFSI sits on the former site of the Maine Yankee Atomic Power Station, which MYAPC finished decommissioning in 2005. Although only the Maine Yankee ISFSI remains on the site, Maine Yankee's 10 CFR part 50 license, Facility Operating License No. DPR-36, remains in effect. Because MYAPC requested an exemption from the requirements of 10 CFR part 50, this would be an exemption for MYAPC's 10 CFR part 50 license rather than for MYAPC's 10 CFR part 72 general license. Therefore, although MYAPC's submission requested an exemption for the Maine Yankee ISFSI, the NRC considers it a request for an exemption for the Maine Yankee Atomic Power Station.
