Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the International Trade Administration Paperwork Reduction Act Program: pra@trade.gov or to Katelynn Byers, ITA PRA Process Administrator: Katelynn.Byers@trade.gov.

Privacy Act Statement

The collection, maintenance, and disclosure of this information is governed by the Privacy Act of 1974 (5 U.S.C. 552a). The Department of Commerce is authorized to collect this information pursuant to authorities that include but are not limited to: 15 U.S.C. 1512. The principal purposes for which the Department will use the information is to assist in selecting the U.S. representatives to recommend to Singapore to participate in the Forum. Information received will be maintained in COMMERCE/DEPT-23, Information Collected Electronically in Connection with Department of Commerce Activities and Programs. One of the routine uses for this information includes providing it to other registrants, including the Government of Singapore, to facilitate company/organization matchmaking (Routine Use 1). A complete set of routine disclosures is included in the system of records notice, published both in the **Federal Register** and on the Department's website at: <https://www.commerce.gov/opog/privacy/system-records-notice>. Disclosing this information to the Department of Commerce is voluntary. However, if you do not provide this information, or only provide part of the information requested, you may not be considered for selection as U.S. representatives to the Forum.

Authority: 15 U.S.C. 1512.

Dated: March 28, 2024.

Diane Farrell,

Deputy Under Secretary for International Trade.

Foreign-Trade Zones Board

[S-24-2024]

Approval of Subzone Expansion; Givaudan Fragrances Corporation; Mount Olive, New Jersey

On February 7, 2024, the Executive Secretary of the Foreign-Trade Zones (FTZ) Board docketed an application

submitted by the State of New Jersey, Department of State, grantee of FTZ 44, requesting an expansion of Subzone 44P on behalf of Givaudan Fragrances Corporation in Mount Olive, New Jersey, subject to the existing activation limit of FTZ 44. The application has also requested the removal of 5.93 acres from Site 1 of FTZ 44.

The application was processed in accordance with the FTZ Act and Regulations, including notice in the **Federal Register** inviting public comment (89 FR 10030, February 13, 2024). The FTZ staff examiner reviewed the application and determined that it meets the criteria for approval. Pursuant to the authority delegated to the FTZ Board Executive Secretary (15 CFR 400.36(f)), the application to expand Subzone 44P was approved on March 28, 2024, subject to the FTZ Act and the Board's regulations, including section 400.13, and further subject to FTZ 44's 407.5-acre activation limit.

Dated: March 28, 2024.

Elizabeth Whiteman,

Executive Secretary.

Frozen Warmwater Shrimp From Ecuador: Preliminary Affirmative Countervailing Duty Determination, and Alignment of Final Determination With the Final Antidumping Duty Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of frozen warmwater shrimp (shrimp) from Ecuador. The period of investigation (POI) is January 1, 2022, through December 31, 2022. Interested parties are invited to comment on this preliminary determination.

DATES: Applicable April 2, 2024.

FOR FURTHER INFORMATION CONTACT:

Reginald Anadio or Zachary Shaykin, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3166 or (202) 482-5377, respectively.

SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). On November 21, 2023, Commerce published in the **Federal Register** the notice of initiation of this investigation.¹ On December 7, 2023, Commerce postponed the preliminary determination until March 25, 2024.²

For a complete description of events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.³ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Investigation

The product covered by this investigation is shrimp from Ecuador. For a complete description of the scope of this investigation, see Appendix I.

Scope Comments

In accordance with the *Preamble* to Commerce's regulations,⁴ in the *Initiation Notice* Commerce set aside a period of time for parties to raise issues regarding product coverage (*i.e.*, scope).⁵ No interested party commented on the scope of the investigation as it appeared in the *Initiation Notice*.

Methodology

Commerce is conducting this investigation in accordance with section 701 of the Act. For each subsidy

¹ See *Frozen Warmwater Shrimp from Ecuador, India, Indonesia, and the Socialist Republic of Vietnam: Initiation of Countervailing Duty Investigations*, 88 FR 81053 (November 21, 2023) (*Initiation Notice*).

² See *Frozen Warmwater Shrimp from Ecuador, India, Indonesia, and the Socialist Republic of Vietnam: Postponement of Preliminary Determinations in the Countervailing Duty Investigations*, 88 FR 85216 (December 7, 2023).

³ See Memorandum, "Decision Memorandum for the Preliminary Affirmative Determination of the Countervailing Duty Investigation of frozen warmwater shrimp from Ecuador," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁴ See *Antidumping Duties; Countervailing Duties, Final Rule*, 62 FR 27296, 27323 (May 19, 1997) (*Preamble*).

⁵ See *Initiation Notice*, 88 FR at 81054.

program found to be countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying our preliminary determination, *see* the Preliminary Decision Memorandum.

Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), Commerce is aligning the final countervailing duty (CVD) determination in this investigation with the final determinations in the companion antidumping duty (AD) investigations of shrimp from Ecuador and Indonesia, based on a request made by the petitioner.⁷ Consequently, the final CVD determination will be issued on the same date as the final AD determinations, which are currently scheduled to be issued no later than August 5, 2024, unless postponed.

All-Others Rate

Sections 703(d) and 705(c)(5)(A) of the Act provide that, in the preliminary determination, Commerce shall determine an estimated all-others rate for companies not individually examined. This rate shall be an amount equal to the weighted average of the estimated subsidy rates established for those companies individually examined, excluding any zero and *de minimis* rates and any rates based entirely under section 776 of the Act.

In this investigation, Commerce preliminarily calculated total net subsidy rates for Industrial Pesquera Santa Priscila S.A. (Santa Priscila) and Sociedad Nacional de Galapagos C.A. (SONGA) that are not zero, *de minimis*, or based entirely on the facts otherwise available. Because Commerce calculated individual estimated countervailable subsidy rates for Santa Priscila and SONGA that are not zero, *de minimis*, or based entirely on the facts otherwise available, we have preliminarily calculated the all-others rate using a simple average of the individual estimated subsidy rates calculated for the examined respondents.⁸

⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁷ See Petitioner’s Letter, “Request to Alignment,” dated February 22, 2024. The petitioner is the American Shrimp Processors Association.

⁸ When two respondents are under examination, Commerce normally calculates (A) a weighted-average of the estimated subsidy rates calculated for the examined respondents using each company’s

Preliminary Determination

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Industrial Pesquera Santa Priscila S.A. ⁹	13.41
Sociedad Nacional de Galapagos C.A. ¹⁰	1.69
All Others	7.55

Suspension of Liquidation

In accordance with section 703(d)(1)(B) and (d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise as described in the scope of the investigation section entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the rates indicated above.

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of its public announcement, or if there is no public announcement, within five days of the date of the publication of this

proprietary U.S. sale quantities for the merchandise under consideration; (B) a simple average of the estimated subsidy rates calculated for the examined respondents; and (C) a weighted-average of the estimated subsidy rates calculated for the examined respondents using each company’s publicly-ranged U.S. sale quantities for the merchandise under consideration. Commerce then compares (B) and (C) to (A) and selects the rate closest to (A) as the most appropriate rate for all other producers and exporters. *See, e.g., Ball Bearings and Parts Thereof from France, Germany, Italy, Japan, and the United Kingdom: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part*, 75 FR 53661, 53663 (September 1, 2010). We currently do not have on the record the necessary publicly-ranged sales data to conduct the rate comparison discussed above. Therefore, for purposes of the preliminary determination, we calculated the all-others rate as the simple average of the total net subsidy rates calculated for the two mandatory respondents. We will solicit the necessary publicly-ranged sales data after the issuance of the preliminary determination.

⁹ As discussed in the Preliminary Decision Memorandum, Commerce preliminarily determines Industrial Pesquera Santa Priscila S.A. is cross-owned with Manesil S.A., Produmar S.A., Tropack S.A., and Egidiosa S.A.

¹⁰ As discussed in the Preliminary Decision Memorandum, Commerce preliminarily determines Sociedad Nacional de Galapagos C.A. is cross-owned with Naturisa S.A., Holding Sola & Sola Soluciones S.A., and Empacadora Champmar S.A.

notice, in accordance with 19 CFR 351.224(b).

Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹¹ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹²

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this investigation, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹³ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of

¹¹ See 19 CFR 351.309(d); *see also Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Service Final Rule*).

¹² See 19 CFR 351.309(c)(2) and (d)(2).

¹³ We use the term “issue” here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.

¹⁴ See *APO and Service Final Rule*.

Commerce within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined.¹⁵ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

U.S. International Trade Commission Notification

In accordance with section 703(f) of the Act, Commerce will notify the U.S. International Trade Commission (ITC) of its determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether imports of aluminum extrusions from Indonesia are materially injuring, or threaten material injury to, the U.S. industry.

Notification to Interested Parties

This determination is issued and published pursuant to sections 703(f) and 777(i) of the Act, and 19 CFR 351.205(c).

Dated: March 25, 2024.

Abdelali Elouaradia,

Deputy Assistant Secretary for Enforcement and Compliance.

Appendix I

Scope of the Investigation

The scope of this investigation includes certain frozen warmwater shrimp and prawns whether wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off, deveined or not deveined, cooked or raw, or otherwise processed in frozen form. "Tails" in this context means the tail fan, which includes the telson and the uropods.

The frozen warmwater shrimp and prawn products included in the scope, regardless of definitions in the Harmonized Tariff Schedule of the United States (HTSUS), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size.

The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the Penaeidae family. Some examples of the farmed and wild-caught warmwater species include, but are not limited to, whiteleg shrimp (*Penaeus vannamei*), banana prawn (*Penaeus*

merguiensis), fleshy prawn (*Penaeus chinensis*), giant river prawn (*Macrobrachium rosenbergii*), giant tiger prawn (*Penaeus monodon*), redspotted shrimp (*Penaeus brasiliensis*), southern brown shrimp (*Penaeus subtilis*), southern pink shrimp (*Penaeus notialis*), southern rough shrimp (*Trachypenaeus curvirostris*), southern white shrimp (*Penaeus schmitti*), blue shrimp (*Penaeus stylirostris*), western white shrimp (*Penaeus occidentalis*), and Indian white prawn (*Penaeus indicus*).

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope. In addition, food preparations, which are not "prepared meals," that contain more than 20 percent by weight of shrimp or prawn are also included in the scope.

Excluded from the scope are: (1) breaded shrimp and prawns (HTSUS subheading 1605.20.10.20); (2) shrimp and prawns generally classified in the Pandalidae family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTSUS subheadings 0306.36.0020 and 0306.36.0040); (4) shrimp and prawns in prepared meals (HTSUS subheading 1605.20.05.10); (5) dried shrimp and prawns; (6) canned warmwater shrimp and prawns (HTSUS subheading 1605.20.10.40); (7) certain dusted shrimp; and (8) certain battered shrimp. Dusted shrimp is a shrimp-based product: (1) that is produced from fresh (or thawed-from-frozen) and peeled shrimp; (2) to which a "dusting" layer of rice or wheat flour of at least 95 percent purity has been applied; (3) with the entire surface of the shrimp flesh thoroughly and evenly coated with the flour; (4) with the nonshrimp content of the end product constituting between four and 10 percent of the product's total weight after being dusted, but prior to being frozen; and (5) that is subjected to IQF freezing immediately after application of the dusting layer. Battered shrimp is a shrimp-based product that, when dusted in accordance with the definition of dusting above, is coated with a wet viscous layer containing egg and/or milk, and par-fried.

The products covered by the scope are currently classified under the following HTSUS subheadings: 0306.17.0004, 0306.17.0005, 0306.17.0007, 0306.17.0008, 0306.17.0010, 0306.17.0011, 0306.17.0013, 0306.17.0014, 0306.17.0016, 0306.17.0017, 0306.17.0019, 0306.17.0020, 0306.17.0022, 0306.17.0023, 0306.17.0025, 0306.17.0026, 0306.17.0028, 0306.17.0029, 0306.17.0041, 0306.17.0042, 1605.21.1030, and 1605.29.1010. These HTSUS subheadings are provided for convenience and for customs purposes only and are not dispositive, but rather the written description of the scope is dispositive.

Antidumping Duty Order on Prestressed Concrete Steel Wire Strand From Mexico: Preliminary Affirmative Determination of Circumvention

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that imports of certain high carbon steel (HCS) wire that are produced in Mexico and assembled or completed into prestressed concrete steel wire strand (PC strand) in the United States are circumventing the antidumping duty (AD) order on PC strand from Mexico. As a result, all imports of certain HCS wire from Mexico will be subject to suspension of liquidation on or after July 31, 2023. Commerce is also imposing a certification requirement. We invite interested parties to comment on this preliminary determination.

DATES: Applicable April 2, 2024.

FOR FURTHER INFORMATION CONTACT: Craig Matney or Jonathan Schueler, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2429 or (202) 482-9175, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 28, 2004, Commerce published in the **Federal Register** the AD order on U.S. imports of PC strand from Mexico.¹ On July 31, 2023, pursuant to section 781(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.226(d)(1), Commerce initiated a country-wide circumvention inquiry to determine whether imports of HCS wire from Mexico that are assembled or completed into PC strand in the United States are circumventing the *Order* and, accordingly, should be covered by the scope of the *Order*.² On

¹ See *Notice of Antidumping Duty Order: Prestressed Concrete Steel Wire Strand from Mexico*, 69 FR 4112 (January 28, 2004) (*Order*).

² See *Prestressed Concrete Steel Wire Strand from Mexico: Initiation of Circumvention Inquiry on the*

¹⁵ See 19 CFR 351.310(d).
