Title: VA Homeless Providers Grant and Per Diem Program.

OMB Control Number: 2900–0554.

Type of Review: Revision of a currently approved collection.

Abstract: Public Law 109–461 provided permanent authority for VA's Homeless Providers Grant and Per Diem (GPD) Program for homeless Veterans. The categories of grants include per diem for non-capital grants, special needs grants, and case management grants. The program will not be awarding capital grants in the coming years. This factor, along with historical program data on the actual number of applications received, has resulted in a decrease in the anticipated number of annual grant applications and associated annual burden hours. There are no changes to the information being collected.

Funds appropriated to the Department of Veterans Affairs (VA) for this program are expected to be significantly less than the total amount requested by applicants. Therefore, information must be collected to determine which applicants are eligible and to prioritize applications for determining who will be awarded funds. VA does not require applicants to use a VA Form to respond to the collection of information. Rather, VA requires applicants to respond to the collection of information as published in the Notice of Funding Opportunity (NOFO) in standard business format, and they may use the Federal-wide Standard Forms from the SF–424 family of forms. VA provides the outline for the collection in the NOFO and uses the standard business format to evaluate applicants for all the grant programs under the statutory authority for VA to make grants.

Affected Public: State, Local, and Tribal Governments.

Estimated Annual Burden: 10,000 hours.

Estimated Average Burden per Respondent: 20 hours.

Frequency of Response: Once annually.

Estimated Number of Respondents: 500.

VA PRA Clearance Officer, (Alt.), Office of Enterprise and Integration/Data Governance Analytics, Department of Veterans Affairs.

SYSTEMS EXEMPTED FROM CERTAIN PROVISIONS OF THE ACT:

Under title 5 U.S.C., section 552a(j)(2), the head of any agency may exempt any system of records within the agency from certain provisions of the Privacy Act, if the agency or component that maintains the system performs as its principal function any activities pertaining to the enforcement of criminal laws. The function of the Police Service is to provide for the maintenance of law and order and the protection of persons and property on Department property. This system of records has been created, in major part, to support the law enforcement related activities assigned by the Department under the authority of title 38 U.S.C., section 901 to the Police Service. These activities constitute the principal function of this staff.

In addition to principal functions pertaining to the enforcement of criminal laws, the Police Service may receive and investigate complaints or

information from various sources concerning the possible existence of activities constituting noncriminal violations of law, rules, or regulations or substantial and specific danger to the public and safety.

Based upon the foregoing, the Secretary of Veterans Affairs (VA) has exempted this system of records, to the extent that it encompasses information pertaining to criminal law enforcement related activities from the following provisions of the Privacy Act of 1974, as permitted by 5 U.S.C. 552a(j)(2):

5 U.S.C. 552a(c)(3) and (4).

5 U.S.C. 552a(d)(1) through (4).

5 U.S.C. 552a(e)(1), (2) and (3).

5 U.S.C. 552a(e)(4)(G), (H) and (I). 5 U.S.C. 552a(e)(5) and (8).

5 U.S.C. 552a(f).

5 U.S.C. 552a(g).

The Secretary of Veterans Affairs has exempted this system of records, to the extent that it does not encompass information pertaining to criminal law enforcement related activities under 5 U.S.C. 552a(j)(2), from the following provisions of the Privacy Act of 1974, as permitted by 5 U.S.C. 552a(k)(2):

5 U.S.C. 552a(c)(3).

5 U.S.C. 552a(d)(1) through (4). 5 U.S.C. 552a(e)(1).

5 U.S.C. 552a(e)(4)(G), (H) and (I). 5 U.S.C. 552a(f).

Reasons for exemptions: The exemption of information and material in this system of records is necessary in order to accomplish the law enforcement functions of the Police Service, to prevent subjects of investigations from frustrating the investigatory process, to prevent the disclosure of investigative techniques, to fulfill commitments made to protect the confidentiality of sources, to maintain access to sources of information, and to avoid endangering these sources and Police personnel.
