

\$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01, Rev.1, associated implementing instructions, and Environmental Planning Policy COMDTINST 5090.1 (series) which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f). The Coast Guard has determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule promulgates the operating regulations or procedures for drawbridges and is categorically excluded from further review, under paragraph L49, of Chapter 3, Table3–1 of the U.S. Coast Guard Environmental Planning Implementation Procedures.

Neither a Record of Environmental Consideration nor a Memorandum for the Record are required for this rule.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

■ 1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05–1; and DHS Delegation No. 00170.1, Revision No. 01.3.

■ 2. Revise § 117.855 to read as follows:

§ 117.855 Maumee River.

(a) The draw of the CSX Railroad Bridge, mile 1.07, will open on signal, except that from December 15 through March 31 the bridge will require at least 12-hours advance notice. The bridge will operate and maintain a VHF–FM Marine Radio and a telephone number.

(b) The draw of the Wheeling and Lake Erie Railroad Bridge, mile 1.80, will open on signal, except that from December 15 through March 31 the bridge will require at least 12-hours advance notice. The bridge will operate and maintain a VHF–FM Marine Radio.

(c) The draw of the Craig Memorial Bridge, mile 3.30, will open on signal, except that from December 15 through March 31 the bridge will require at least 12-hours advance notice. The bridge

will operate and maintain a VHF–FM Marine Radio.

(d) The draw of the Martin Luther King Jr Memorial Bridge, mile 4.30, will open on signal, except that from December 15 through March 31 the bridge will require at least 12-hours advance notice. The bridge will operate and maintain a VHF–FM Marine Radio.

(e) The draw of the Norfolk Southern Railroad Bridge, mile 5.76, will open on signal, except that from December 15 through March 31 the bridge will require at least 12-hours advance notice. The bridge will operate and maintain a VHF–FM Marine Radio and a telephone number.

Jonathan Hickey,

Rear Admiral, U.S. Coast Guard, Commander, Ninth Coast Guard District.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2024–0292]

RIN 1625–AA00

Safety Zone; Chesapeake Bay, Approaches to Baltimore Harbor, MD

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters within a 2000-yard radius of the center span of the Francis Scott Key Bridge, in Baltimore, MD. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards associated with salvage work on the bridge, which partially collapsed when it was hit by the M/V DALI, and on the M/V DALI itself. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Sector Maryland-National Capital Region.

DATES: This rule is effective without actual notice from April 8, 2024, through June 4, 2024. For the purposes of enforcement, actual notice will be used from April 3, 2024, until April 8, 2024.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2024–0292 in the search box and click

“Search.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions about this rule, call, or email LCDR Kate Newkirk, Waterways Management Division, Sector Maryland-National Capital Region, U.S. Coast Guard; (410) 365–8141, Kate.M.Newkirk@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
COTP Captain of the Port, Sector Maryland-National Capital Region
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

At approximately 2 a.m. local time on March 26, 2024, the Captain of the Port, Maryland-National Capital Region was notified that a container ship, the Singapore-flagged M/V DALI, had allided with the Francis Scott Key Bridge in the Chesapeake Bay, in position latitude 39°13'0.12" N longitude 076°31'47.27" W, causing partial collapse of the bridge. Due to the need for vessel control during a damage assessment and salvage operation, maritime traffic will be temporarily restricted to provide for the safety of transiting vessels and persons conducting salvage work on the bridge and on the ship.

The Coast Guard is issuing this temporary rule under authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest. Immediate action is needed to respond to the potential safety hazards associated with the presence of collapsed bridge parts and the M/V DALI, and with the conduct of damage assessment and salvage operations on the M/V DALI and the Francis Scott Key bridge that must occur within the Federal navigation channel. Due to the nature of the event, it is impracticable to provide notice to ensure the safety of life and property.

Also, under 5 U.S.C. 553(d)(3), the Coast Guard also finds that good cause

exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with damage assessment and salvage operations of the M/V DALI to be conducted within the federal channel.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The COTP has determined that potential hazards associated with damage assessment and salvage operations starting March 26, 2024, will be a safety concern for anyone within a 2000-yard radius of the center navigation span of the Francis Scott Key bridge, in Baltimore, MD. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the bridge is being repaired.

IV. Discussion of the Rule

This rule establishes a safety zone from April 3, 2024, through June 4, 2024. The safety zone will cover all navigable waters within 2000 yards of the center navigation span of the Francis Scott Key Bridge in Baltimore MD. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters while the damage assessment and salvage operations are being conducted. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under section 3(f) of Executive Order 12866, as amended by Executive Order 14094 (Modernizing Regulatory Review). Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, and duration of the safety zone. Vessel traffic will not be able to transit in vicinity of the safety zone, which will impact vessel traffic required to transit certain navigation channels of the Chesapeake Bay. The duration of the period during which the safety zone will be subject to enforcement will be kept to a minimum. If circumstances which may create a hazard to navigation or to salvage workers abate before June 4 (as determined by the COTP), the Coast Guard will provide notice that the safety zone will no longer be subject to enforcement. Moreover, the Coast Guard will issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–

888-REG-FIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a

temporary safety zone lasting 14 total days that will prohibit entry within 2000 yards of the center navigation span of the Francis Scott Key Bridge. It is categorically excluded from further review under paragraph L60(d) of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

- 2. Add § 165.T05-0263 to read as follows:

§ 165.T05-0263 Safety Zone; Chesapeake Bay, Approaches to Baltimore Harbor, MD.

(a) *Location.* The following area is a safety zone: All navigable waters of the Chesapeake Bay, within a 2000-yard radius of the center span of the Francis Scott Key bridge during damage assessment and salvage operations.

(b) *Definitions.* As used in this section—

Captain of the Port (COTP) means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region.

Designated representative means any Coast Guard commissioned, warrant, or petty officer, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the COTP in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of

this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative by telephone number 410-576-2525 or on Marine Band Radio VHF-FM channel 16 (156.8 MHz). Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement officials.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by Federal, State, and local agencies.

(e) *Enforcement period.* This section will be subject to enforcement from April 3, 2024, through June 4, 2024. If, as determined by the COTP, circumstances which may create a hazard to navigation or to salvage workers abate before June 4, 2024, the Coast Guard will provide notice that the safety zone will no longer be subject to enforcement.

Dated: April 3, 2024.

David E. O'Connell,

Captain, U.S. Coast Guard, Captain of the Port Sector Maryland-NCR.

[FR Doc. 2024-07454 Filed 4-5-24; 8:45 am]

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2024-0031]

RIN 1625-AA00

Safety Zone; Cape Fear River, Wilmington, NC

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters of the Cape Fear River. This action is necessary for the safety of life on these navigable waters, in Wilmington, NC, during a fireworks display to be executed by Zambelli Fireworks. This rulemaking will prohibit persons and vessel from being in the safety zone (which is near downtown Wilmington, adjacent to the USS North Carolina) unless authorized by the Captain of the Port, Sector North Carolina, or a designated representative.

DATES: This rule is effective on April 13, 2024, from 7 p.m. to 8 p.m.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2024-0031 in the search box and click "Search." Next, in the Document Type column, select "Supporting & Related Material."

FOR FURTHER INFORMATION CONTACT: If you have questions about this rule, call or email MSTC Elvin Rodriguez, U.S. Coast Guard Sector, North Carolina; (910) 772-2239, ncmarineevents@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

COTP Captain of the Port, Sector North Carolina
CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule under authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would not allow sufficient time to issue the rule before the safety zone needs to take effect. The event sponsor notified the Coast Guard on February 27, 2024, that they will be conducting the fireworks show April 13, 2024.

The area that will be restricted comprises the waters directly in front of and adjacent to the USS North Carolina, in downtown Wilmington, NC. The Captain of the Port Sector North Carolina (COTP) has determined that potential hazards associated with the fireworks display show necessitate these navigational restrictions on marine traffic.

Also, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** because there are fewer days than 30 days remaining before the dates the safety zone will be needed.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The safety zone is intended to ensure the
