Coast Guard

33 CFR Part 100
[Docket No. USCG–2024–0218]

Special Local Regulations; Blue Water Resort and Casino Spring Classic; Parker, Arizona

AGENCY: Coast Guard, Department of Homeland Security (DHS).
ACTION: Notification of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Blue Water Resort and Casino Spring Classic special local regulations on the waters of Parker, AZ from April 13, 2024, to April 14, 2024. These special local regulations are necessary to provide for the safety of the participants, crew, spectators, sponsor vessels, and general users of the waterway. During the enforcement period, persons and vessels are prohibited from anchoring, blocking, loitering, or impeding within this regulated area unless authorized by the Captain of the Port, or his designated representative.

DATES: The regulations in 33 CFR 100.1102 will be enforced from April 13, 2024, to April 14, 2024, from 6 a.m. through 6 p.m. daily for the locations described in Table 1 to § 100.1102, Item 6 of that section.

FOR FURTHER INFORMATION CONTACT: If you have questions about this publication of enforcement, call or email Lieutenant Shelley Turner, Waterways Management, U.S. Coast Guard Sector San Diego, CA; telephone

(619) 278–7261, email MarineEventsSD@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the special local regulations in 33 CFR 100.1102 for the Spring Classic in Parker, AZ for the locations described in Table 1 to § 100.1102, Item 6 of that section, April 13, 2024, to April 14, 2024, from 6 a.m. until 6 p.m. daily. The location includes the waters of Parker, AZ. This enforcement action is being taken to provide for the safety of life on navigable waterways during the event. The Coast Guard’s regulation for recurring marine events on the Colorado River, between Davis Dam (Bullhead City, Arizona) and Headgate Dam (Parker, Arizona) identifies the regulated entities and area for this event. Under the provisions of 33 CFR 100.1102, persons and vessels are prohibited from anchoring, blocking, loitering, or impeding within this regulated area, unless authorized by the Captain of the Port San Diego, or his designated representative. The Coast Guard may be assisted by other Federal, State, or local law enforcement agencies in enforcing this regulation.

In addition to this document in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via the Local Notice to Mariners, marine information broadcasts, and local advertising by the event sponsor.

If the Captain of the Port Sector San Diego or his designated representative determines that the regulated area need not be enforced for the full duration stated on this document, he or she may use a Broadcast Notice to Mariners or other communications coordinated with the event sponsor to grant general permission to enter the regulated area.

James W. Spittler,
Captain, U.S. Coast Guard, Captain of the Port San Diego.

RIN 1625-AA00

Fixed and Moving Safety Zone; Vicinity of the M/V HAPPY DIAMOND, Houston Ship Channel and Seabrook, TX

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing two temporary safety zones, a moving safety zone and a fixed safety zone, around the M/V HAPPY DIAMOND in the navigable waters of

the Houston Ship Channel and its vicinity. The temporary safety zones are necessary to protect persons, property, and the marine environment from potential hazards associated with the transfer of large gantry cranes. Persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the safety zones unless specifically authorized by the Captain of the Port Houston-Galveston or a designated representative.

DATES: This rule is effective without actual notice from April 10, 2024 through 4 p.m. on April 17, 2024. For the purposes of enforcement, actual notice will be used from 5 a.m. on April 4, 2024, until April 10, 2024.

COTP Captain of the Port
CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule under authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency, for good cause, finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard received all relevant information for the transfer of the large gantry cranes and the need for the safety zone on March 18, 2024. Insufficient time remains to publish an NPRM and receive and consider public comments because the rulemaking process would not be completed before the events commencement on April 4,

2024. Proceeding with the NPRM process would delay the establishment of the safety zones beyond the event date, compromising the safety of the M/V HAPPY DIAMOND, the crew, and other vessels navigating the surrounding waterways. Therefore, it is impracticable to publish an NPRM because we must establish the temporary safety zone by April 4, 2024.

Also, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with the transfer of large gantry cranes beginning on April 4, 2024.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Houston-Galveston (COTP) has determined that potential hazards associated with the transfer of large gantry cranes starting April 4, 2024, will be a safety concern for anyone within a 100-yard radius while the M/V HAPPY DIAMOND is in transit and for anyone within 25-yard radius while the M/V HAPPY DIAMOND is moored. This rule is needed to protect persons, property, and the marine environment within the navigable waters of the safety zones while the M/V HAPPY DIAMOND transits to and unloads in Seabrook, Texas.

IV. Discussion of the Rule

This rule establishes two temporary safety zones from 5 a.m. on April 4, 2024, through 4 p.m. on April 17, 2024. The temporary safety zones include a moving safety zone, covering all navigable waters within 100 yards of the M/V HAPPY DIAMOND, and a fixed safety zone, covering all navigable waters within 25 yards of the vessel. The duration of the zones is intended to ensure the safety of the public and navigable waters in the specified areas during the transit of the large gantry cranes in the Houston Ship Channel and while the vessel is moored. No vessel or person will be permitted to enter, transit through, anchor in, or remain within the safety zones without obtaining permission from the COTP or a designated representative.

Moving Safety Zone: This area includes all waters within 100 yards of the M/V HAPPY DIAMOND as the vessel transits from the Gulf of Mexico off the coast of Galveston and through the Houston Ship Channel. The following coordinates are the
