

- Is not subject to Executive Order 13045 (62 FR 19885, April 23, 1997) because it approves a State program;
- Is not a significant regulatory action subject to Executive Order 13211 (66 FR 28355, May 22, 2001); and
- Is not subject to requirements of section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the CAA.

In addition, the SIP is not approved to apply on any Indian reservation land or in any other area where EPA or an Indian tribe has demonstrated that a tribe has jurisdiction. In those areas of Indian country, the rulemaking does not have Tribal implications and will not impose substantial direct costs on Tribal governments or preempt Tribal law as specified by Executive Order 13175 (65 FR 67249, November 9, 2000).

Executive Order 12898 (Federal Actions To Address Environmental Justice in Minority Populations and Low-Income Populations, 59 FR 7629, Feb. 16, 1994) directs Federal agencies to identify and address “disproportionately high and adverse human health or environmental effects” of their actions on minority populations and low-income populations to the greatest extent practicable and permitted by law. EPA defines environmental justice (EJ) as “the fair treatment and meaningful involvement of all people regardless of race, color, national origin, or income with respect to the development, implementation, and enforcement of environmental laws, regulations, and policies.” EPA further defines the term fair treatment to mean that “no group of people should bear a disproportionate burden of environmental harms and risks, including those resulting from the negative environmental consequences of industrial, governmental, and commercial operations or programs and policies.”

NCDEQ did not evaluate EJ considerations as part of its SIP submittal; the CAA and applicable implementing regulations neither prohibit nor require such an evaluation. EPA did not perform an EJ analysis and did not consider EJ in this proposed action. Due to the nature of the action being proposed here, this proposed action is expected to have a neutral to positive impact on the air quality of the affected area. Consideration of EJ is not required as part of this proposed action, and there is no information in the record inconsistent with the stated goal of E.O. 12898 of achieving EJ for people of color, low-income populations, and Indigenous peoples.

LEGAL SERVICES CORPORATION

45 CFR Part 1607

Governing Bodies

AGENCY: Legal Services Corporation.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Legal Services Corporation’s (LSC) FY 2024 appropriation enacted on March 9, 2024, included language that lowered the proportion of attorneys required to serve on the governing bodies of LSC grant recipients from 60% to 33%, and eliminated the requirement that bar associations appoint the majority of attorneys. LSC is revising its regulation pertaining to recipient governing bodies to be consistent with this directive from Congress.

DATES: Comments must be received by LSC by 11:59 p.m. Eastern on May 13, 2024.

FOR FURTHER INFORMATION CONTACT: Stefanie K. Davis, Deputy General Counsel, Legal Services Corporation, 3333 K Street NW, Washington, DC 20007; (202) 295-1563 (phone), (202) 337-6519 (fax), or sdavis@lsc.gov.

SUPPLEMENTARY INFORMATION:

Background

The LSC Act of 1974 requires grant recipients to have governing bodies composed of at least 60% attorneys. 42 U.S.C. 2996f(c). LSC adopted part 1607 and the 60% requirement in 1976. 41 FR 25899, June 23, 1976. Subsequently, LSC’s fiscal year (FY) 1983 appropriation included a requirement that a majority of each recipient’s governing body be composed of attorneys appointed by state or local bar associations, also known as the “McCullum Amendment”. Public Law 97-276, 96 Stat. 1186. LSC revised part 1607 in 1983 to implement the McCullum Amendment. 48 FR 1971, Jan. 17, 1983. The McCullum

Amendment currently appears in § 502(2)(b)(ii) of LSC’s FY 1996 appropriation, which is incorporated through § 502 of LSC’s FY 1998 appropriation, as referenced in all LSC appropriations from 1998 through 2024. *See, e.g.*, Public Law 104-134, 110 Stat. 1321; Public Law 105-119, 111 Stat. 2440; Public Law 118-42.

LSC’s FY 2024 appropriation changed the minimum attorney percentage to 33% and eliminated the McCollum Amendment requirement. The Administrative Provision of this appropriation reiterates the incorporation of prior appropriations’ restrictions by reference. It also includes language stating that for purposes of applying the board composition requirements described in LSC’s FY 1998 appropriation, the requirements would be satisfied if at least 33% of a grant recipient’s board were composed of attorneys licensed in the state in which legal assistance is to be provided. Finally, it includes language stating that the McCollum Amendment does not apply. Public Law 118-42, Div. C, Title IV, 141 (2024) (emphasis in original). LSC is proposing to revise § 1607.3 of its regulations to reflect this change.

LSC proposes to make the following changes to incorporate the statutory changes and to reorganize § 1607.3 for ease of reference. First, LSC proposes to delete § 1607.3(b)(1) in its entirety and replace it with a new paragraph (b)(1) stating that a recipient’s governing body must be composed of at least 33% attorneys. By doing so, LSC will remove the language implementing the McCollum Amendment. LSC also proposes to redesignate existing paragraphs (b)(2) and (3) as (b)(1)(i) and (ii), respectively.

Second, LSC proposes to reorganize the section by relocating the categories of governing body members currently located in paragraphs (c) and (d) to paragraphs (b)(2) and (3), respectively, and placing the processes for appointments into paragraphs under each category. LSC believes that restructuring § 1607.3 in this way will make it easier for readers to understand the categories of membership on LSC recipients’ governing bodies and the considerations recipients use to recruit and select members.

Third, LSC proposes to redesignate paragraphs (f), (g), and (h) as (c), (d), and (e).

Finally, LSC proposes to revise redesignated paragraph (e) paragraph to reflect the statutory change and allow recipient staff to recommend candidates to their governing bodies. LSC believes this change would empower recipient staff to identify and propose, clients,

attorneys, or other community members with relevant expertise for appointment to their respective governing bodies.

On April 2, 2024, the Committee voted to recommend that the Board authorize LSC to open rulemaking on part 1607 and authorize publication of this NPRM in the **Federal Register** for notice and comment. On April 8, 2024, the Board accepted the Committee's recommendation and voted to approve publication of this NPRM.
