#### SUPPLEMENTARY INFORMATION:

*Title:* 7 CFR 1902-A, Supervised Bank Accounts.

*OMB Number:* 0575-0158.

*Expiration Date of Approval:* December 31, 2024.

*Type of Request:* Revision of a currently approved information collection.

*Estimate of Burden:* Public reporting burden for this information collection is estimated to average 0.83 hours per response.

*Respondents:* Small Business.

*Estimated Number of Respondents:* 13,052.

*Estimated Number of Annual Responses:* 4,625.

*Estimated Total Annual Burden Hours of Respondents:* 5.33.

*Abstract:* The Agency extends financial assistance to applicants that do not qualify for loans under commercial rates and terms.

The Agency uses Supervised Bank Account (SBA) as a mechanism to: (1) ensure correct disbursement and expenditure of funds designated for a project; (2) help a borrower properly manage its financial affairs; (3) ensure that the Government's security is protected adequately from fraud, waste, and abuse.

SBAs are mandatory for Multi-Family Housing (MFH) reserve accounts. The MFH funds must be kept in the SBA for the full term of a loan. Any funds withdrawn for disbursement for an authorized purpose requires prior approval from an Agency Loan Servicing official. Countersignature from an Agency Loan Servicing official may or may not be required.

This regulation prescribes the policies and responsibilities for the use of SBAs. In carrying out the mission as a

supervised credit Agency, this regulation authorizes the use of supervised accounts for the disbursement of funds. The use may be necessitated to disburse Government funds consistent with the various stages of any development (construction or rehabilitation) work achieved. On limited occasions, a supervised account is used to provide temporary credit counseling and oversight of those being assisted who demonstrate an inability to handle their financial affairs responsibly. Another use is for depositing MFH reserve account funds in a manner that may require Agency co-signature for withdrawals. MFH reserve account funds are held in a reserve account for the future capital improvement needs for MFH properties. Supervised accounts are established to ensure Government security is adequately protected against fraud, waste, and abuse.

The legislative authority for requiring the use of supervised accounts is contained in section 510 of the Housing Act of 1949, as amended (42 U.S.C. 1480). These provisions authorize the Secretary of Agriculture to make such rules and regulations as deemed necessary to carry out the responsibilities and duties the Government is charged with administering.
