For additional information, please read the Privacy Act notice that is available via the link in the footer of <https://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* New Collection.

(2) *Title of the Form/Collection:* API (Application Programming Interface) Production Access Request.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* G-1595; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Business or other for-profit. USCIS has newly established a program to enable third party software development companies to access sandbox and production environments via Application Programming Interface (API) to our software systems. Software development companies would use Form G-1595 to request production access to USCIS APIs. USCIS will use the information provided on the form to verify that software development companies' products are in compliance with the Americans with Disabilities Act and covered by a suitable privacy policy as described in the form. Organizations must complete and

submit this form before scheduling an application demonstration to present their features that use the API to which they are requesting production access.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection G-1595 is 20 and the estimated hour burden per response is 0.91 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 18 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$1,000.
