BILLING CODE 4830-01-P

DEPARTMENT OF THE TREASURY

Debt Management Advisory Committee Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 2, 10(a)(2), that a meeting will be held at the United States Treasury Department, 15th Street and Pennsylvania Avenue NW, Washington, DC on April 30, 2024, at 9:00 a.m., of the following debt management advisory committee: Treasury Borrowing Advisory Committee.

At this meeting, the Treasury is seeking advice from the Committee on topics related to the economy, financial markets, Treasury financing, and debt management. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. App. 2, 10(d) and Public Law 103-202, 202(c)(1)(B)(31 U.S.C. 3121 note).

This notice shall constitute my determination, pursuant to the authority placed in heads of agencies by 5 U.S.C. App. 2, 10(d) and vested in me by Treasury Department Order No. 101-05, that the meeting will consist of discussions and debates of the issues presented to the Committee by the Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Public Law 103-202, 202(c)(1)(B).

Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations

provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Fred Pietrangeli, Director for Office of Debt Management (202) 622-1876.

Dated: April 9, 2024.

Frederick E. Pietrangeli,

Director (for Office of Debt Management).

SUPPLEMENTARY INFORMATION:

Authority: 38 U.S.C. 5101.

Title: Application of Surviving Spouse or Child for REPS Benefit (Restored Entitlement Program for Survivors).

OMB Control Number: 2900-0390.

Type of Review: Revision of a currently approved collection.

Abstract: VA Form 21P-8924 is primarily used to gather the necessary information to determine a claimant's eligibility for REPS benefits. Respondents are surviving spouses or schoolchildren who are establishing eligibility for REPS benefits. The beneficiary will complete this information collection and return it to the VA by mail or fax. Once the form is received by the VA, the information is reviewed to determine whether the beneficiary will establish entitlement or continued entitlement to REPS benefits. The information on the form is necessary to determine if the applicant meets REPS eligibility criteria. Without this information, determination of entitlement would not be possible. This is a revision of a currently approved collection as the respondent burden has decreased.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 89 FR 8521 on February 7, 2024, pages 8521 and 8522.

Affected Public: Individuals or households.

Estimated Annual Burden: 14 hours.

Estimated Average Burden per Respondent: 20 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 44.

By direction of the Secretary.

Maribel Aponte,

VA PRA Clearance Officer, Office of Enterprise and Integration, Data Governance Analytics, Department of Veterans Affairs.
